FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well, just as I predicted, the gasoline prices are on the rise again. This is no surprise! I told you so, back in Nov. before the Presidential Elections this would happen! First on the list is a shout out to E.T., thanks for phoning home. Great to hear from you. What a clown!

With the Super Bowl behind us, now we can settle down to more important issues that effect the nation.

The "Bullet Train to Nowhere" is the one that I love most and plan to bid on myself. The State of California is going to pay \$2,000,000.00 to entice bidders for the contract.

If you have to bribe companies to place bids on a project, maybe you need to take a second look and see why they are having problems with sending in their bids. Perhaps, they can see that this will rival the Winchester Mansion. For those of you who are not familiar with the story, the Mansion was always in construction, never to finish. This was to keep the spirits of the dead from returning.

Then second on the list, Gov. Brown and the other officials in Sacramento are still dragging their feet on the issue of state employee's double dipping on their paychecks. This is where a person doing their job, actually gets paid by several other departments, for doing only that job.

What a scam! If you remember a few years ago, I had a question that was answered by my brother. My question was about becoming a career criminal.

Does it have benefits, healthcare, retirement programs? His answer was simple, great pay, travel the world, retire and live high on the hog, and a healthcare package beyond belief! When I asked how do I sign up, he calmly replied, "Just figure out which office you plan to run for!"

I would like to hear your thoughts 760-298-0902
