Hi my name is

as a pet owner I know
what it takes to care
for ones pets, but
with such busy sched-

That's why I'm here to

**"Of course, you can drive a PT Cruiser in
the sand. Isn't that what it's built for?"**

**4 guys from the I.E. decided to go to the beach
this past Saturday. The guy who owned the PT
Cruiser drove it to 42nd Street where I live in
Newport Beach. He decided (somehow) that the
brilliant idea was to gun the car in reverse off
the street and into the sand. Then, he and his
buddies would drive around the beach with the
music blaring and they would meet "widows".
I guess these guys (driver on the right in Pic)
thought the vehicle had 4 wheel drive. Well,
didn't quite work the way they wanted (See
Pics). The PT Cruiser got stuck in the sand, 10
cops came to the scene, and the car was towed
away. You could see transmission fluid leaking
everywhere as the tow truck crushed the front
bumper trying to get this monstrosity off the
sand. These I.E. dudes? Stranded. No Widows,
No Ride, No Dinero (after paying the tow charge).
MORAL OF THE STORY: You can bring the I.E.
to the beach, but you can't remove the I.E.
from the brain.**

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

I wish the price of gasoline would drop as fast as the Stock Market! We are on a slippery slope. We are allowing government to dig a deeper hole every year. We will never see a budget that is really balanced. We will never see our Nation in the Black. All the crap being forced on us about "Social and Political" correctness will be our ruin! I did have the pleasure of hearing Dr. Ben Carson answer questions that were asked by some "Idiot" on the news, Sunday morning. This man really has his Ducks in a row. The Media Idiot, (don't know his name and I could care less) was trying to twist statements that Dr. Carson had made about destroying caves that the Human Traffickers and the Drug Cartels use to enter our country. I wish Obama would take example from this truly honest, well spoken Black Man! His education and integrity shine true. I think that he is another individual that the rest of the Criminal Politicians are fearful of getting elected to the office of President. I don't think that I would want him in any other capacity. He is a leader. The issue about him maybe being a running mate with Trump was mentioned. Trump would, in my opinion be second to him as President. It will get interesting in the next few months as the election date approaches. We need to have new faces come forward to shake up the system. We need individuals that are not affraid to take a stand and demand the changes that we need to survive as a Nation. These standards that once made us a Great Nation are being eliminated. When you have a President that "Kisses Ass" on the other world leaders, it is an embarrassment! I can't wait for him to move on. The only thing he will be remembered for is a failed healthcare system and trying to be a "Rock Star"! In his first term, I asked readers to give him a chance to show us what he could do with his promise of "Hope and Change"! I finally figured out what he was saying. I hope you don't change your mind about me and I can serve a second term to secure a wealthy future for me and my family! I don't think that I am far off with that thought. I know that there are some readers out there that wouldn't "Spit on my Ass, if it were on Fire"! My comment to you is get over it. The only reason you voted for Obama's second term was one of two reasons! I won't list them here, because, you don't deserve me giving it any further explanation!
