**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

Second week in and nothing really looks promising! The "Crazy Train" ground breaking ceremony was held this week. I bet "Brown" got his "Knickers" all soggy on this one. Has anyone done the math? This "WET DREAM" is going to go down in history as the worst idea since the "Delorian"! No matter how much "Lip Stick" you put on a "Pig", it is still a pig! The State of California has made sure that the "Newly Licensed Illegal's" have a low affordable insurance rate after they receive their new drivers license. To "Hell with the rest of us" who will have to pay higher premiums for the State's generosity. I can't believe that we have over 30 Million "Sheeple" in this state, that are willing to roll over and play dead! Just when things are starting to look a little brighter for California Citizens (who actually are here legally), we are about to get screwed again. Personally, I am not really excited over the election results on a national level. Republicans are in control in both the House and the Senate. Without a Doubt, Obama will go nuts with his "Veto Power" the next 2 years. Really? This man thinks that he is the second coming of "Christ the Savior". He can turn water into wine and walk on water, both, while he struts and chews gum! Maybe he can wave his magic wand and "Presto Chango" we will have everything that has ailed us as a nation be made whole and good. I am glad that he was able to take his family to Hawaii for Christmas Vacation. It must be a wondrous experience to be so blessed! Obama knows that once he is out of office his financial future is set. He will make Millions if not Billions of dollars giving lectures, writing books and autographing pictures of himself. Personally I would not spit on this imbecile if he and his little dog "Toto" were on fire and promised to go back to Kansas! Call Me!!!!
