WHAT'S STOPPING YOU FROM BUYING A HOME ?

Bad Credit, No Down Payment, Bankruptcy,
Foreclosure, Affordability, Retirement, Student Loans?

- Why Home Ownership Is Your Next Best Move -

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest.
- * Equate renting with "Throwing your money away".
- * Purchase with a fixed payment; landlords may increase rent.
- * A property is something you can leave as an inheritance.

"Postcards from the ledge!"
By: Wally Wharton

Another week laced in Death and Anarchy...but hey, at least I had a good time!! I'm not heartless, nor am I disengaged; I simply choose my battles wisely. And due to the fact that I'm a "sexigenarian" with a near-albino complexion, I decided to forgo Snoop Dogg's downtown L.A. protest as well as the BLM freeway festivities over in Inglewood.

The July 4th BBQ we were planning to attend got canceled at the last minute, so I took a deep breath and decided to throw one of my own. Why not invite a few local facebook friends and let the sparks fly--LITERALLY!! All it takes is a few snacks and plenty of booze---PLUS, an impromptu BBQ is the perfect excuse to jettison me into a Manic Clean-Up Mode. I was determined to rake up all those dried Mimosa blossoms once and for all in the backyard and obliterate that bathtub ring!! And if no one shows up, so what?? Worst that can happen is that my boyfriend and I won't have to cook for the next few nights and I'll have an orderly habitat once more!! So I rolled up my Big Girl Pants and went to work. Raking, blowing bagging, hacking, pruning and watering--- my backward was gonna look like a dewy, Tiki-torched, Fairyland Paradise, or my name wasn't Wally "Haven't-Had-a-Party-Here-in-20-Years" Wharton!! Although we invited 15, we doubted half that number would even show. Still, if you invite 15, you must cook for 15, just in case everybody decides to grace your party with an appearance. I had plenty of chickie meat to throw on the grill, I made homemade lasagna, guacamole, I baked a chocolate cake and I even opened up a brand new bag of potato chips. I bought plenty of cheap wine and beer at our new Grocery Warehouse over in Sun Valley. All my boyfriend had to do was man the BBQ itself and deliver a few bags 'o ice for the cooler. We don't BBQ a lot. In fact, it had been well over a year since we fired up the little black round thing we'd gone "half-sies" on at Home Depot and frankly, we both forgot how the damn thing worked. Barry finally got it going, but he learned an invaluable lesson: You CAN'T light a BBQ with the same Citronella oil ya put in the Tiki torches .WA-WA-WAAAAAA..... I blasted the Big Band sounds on the stereo in the garage. The Magic Hour of 4 on the 4th approached....then 5:00. But finally SOMEBODY arrived!!! YAY!!! Then another. And another. And ANOTHER!!! All in all four folks came by and helped us celebrate our Great American Independance Day.....or, as the Mexicans call it: "Fireworks Day."

And that's my latest "POSTCARD FROM THE LEDGE!!!!"

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Well, this last weekend was not what anyone expected. The killings of the two men by police seems unprovoked! There are bad cops and good cops. The only ones that make the headlines are the bad! The protests that are being played out all over the country seem to have also good and bad elements. Our nation is on it's way to self destruction. I don't really think that they "RIGGED SYSTEM" wants it any other way. Trump and Sanders have said that the system is rigged. The Republican Party is plotting now to change the rules at the convention. If they suceed, they will out Trump and put in someone that will play the game by the rules that have been in place and used by both parties. In the last 8 years, Obama has done nothing to unite the people. He has directed the Attorney Generals on which cases to turn their backs on and not bring charges. This is the same crap that California has had under Kamala Harris. When she was first elected, she stated in an interview that just because she is the Attorney General, she doesn't have to give up her personal convictions. And that statement is true for everyone. However, it doesn't say that you can pick and choose which laws you will enforce. I did a little research today and was not surprised with the result. Obama, in the last 8 years, has spent around 70 Million Dollars on vacations and trips for him and his family around the world. The latest in your face was flying Hillary around to her campaign engagements in Air Force One! And, guess who gets the bill for that. We are spiraling out of control even quicker than I had originally imagined. The corruption has taken control of our lives. We are on our last leg as a nation. If you look back in history, it has happened before. We are told that illegal's have the same rights as citizens. We are told to be compassionate and understanding of their needs. The only thing that we are kept in the dark about, is the fact, that we are going to foot the bill for all these generous gifts. Trump is hated because he no longer is sending expensive gifts and bribes. He is indeed the man who can put an end to the lie. He has bought and sold more politicians that you can imagine. He knows the do's and don't's of playing the game to keep it with in the law. If we are stupid enough to vote Hillary the Butcher Bitch of Benghazi as President, it is all over. This woman has the blood of American Citizens on her hands. She has lied about so many things that you have a hard time keeping count. She runs ads that are a joke. She could care less about your children and grandchildren's health. The only thing she cares about is making history.
