Wow! With all the hype about breaking the law and that no one is above it, you wonder why the people don't rise up and revolt against the LEFT!

You have to understand that the people have been trained for decades not to speak out against our politicians. If you do say some thing it will come back to bite you!

This is what Schumer said about being challenged!

The Nickel Shopper!

Happy Birthday to us!

40 years ago The Nickel Shopper was brought to life! I am the third owner for the last 22 years. I have to laugh when I think about how time flies when you are having fun. In the first 30 days of ownership I was told by the Penny Saver that they would put me out of business in 90 days. The Green Sheet told me that I would be gone in 6 months. Well, looks like they got that one wrong! We enjoy serving the Hi-Desert residents with the most affordable advertising rates in our media. Hopefully we will still be in print for another 40 years. It would be a new owner of course, in 40 years I plan to be retired and building my next ranch.
Thank you readers!

TRUCKERS BEWARE!

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013 and now I'm sharing them with you, Enjoy!

Silence of the night

I feel so very lonely when I wake up in the night
 When everyone is sleeping and there's no one in sight
 The streets are dark and empty, the houses all unlit
 The Sky is Dark and Starry, The Moon is but a Slit
 Am I the only living thing? The silence is profound
 The Loneliness surrounds me, is there no one else around ?
 Far off in the distance sounds the whistle of a train
 Rushing on to somewhere leaving silence once again
 Now reassured and comforted, I once again can sleep
 Knowing I'm not alone as dawn begins to creep
