The number of people looking for the DNC Nomination for the Presidential Candidate are dropping faster than a fat kid on a see-saw!

They haven't found anyone with the mind set to go against Trump and his record. They are so busy trying to go against Bullshit that they forgot about the SNOWMAN!

You can bullshit a bullshitter, but you can't snow the snowman!

Pamela's World!

Hello my Friends! Ever wonder about those people who say they are giving more than 100%? We have all been to those meetings where someone wants you to give over 100%. How about achieving 103%?

What makes up 100% in life?
Here's a little mathematical formula that might help you answer these questions.

If the ABC's represent the numbers from 1 to 26 then

Hard work $8+1+18+4+23+15+18+11=98\%$

Knowledge $11+14+15+23+12+5+4+7+5=96\%$

Attitude $1+20+20+9+20+21+4+5=100\%$

Bullshit $2+21+12+12+19+8+9+20=103\%$

Asskissing $1+19+19+11+9+19+19+9+14+7=118\%$

So one can conclude with mathematical certainty that while hard work and knowledge will get you close and attitude will get you there. It's the Bullshit and Ass Kissing that will put you over the top! Now you know why some people are where they are!

Pamela's Cleaning Service has a new Office phone # 760.810.7227
So be good to your self & each other.
Until next week Lil Sista.

From the Editor "Side Note!"

Well you know the old saying, "All Blow and No Show!"? Seems that Tom Steyer had his ass handed to him in a to go bag! The statement he made in an ad on the radio about how he would kick Trump's Ass is not going to happen. Steyer is very much like Bloomberg from N.Y. City. He suffers from "Little Man" syndrome. The "Gay Guy" and the Brunette Bitch also had to eat some "Humble Pie" and walk away from the dream of leading us into the next socialist failure in the history of the world! We still have Bernie, Biden and Poke-A-Honky in the race to the bottom. Notice how everyone says that Trump is a racist and bigot? The Democratic Party got rid of everybody except old, wrinkled, retards! Can't touch Trump!

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013
and now I'm sharing them with you, Enjoy!

Truthful

Some people will tell you What they think you want to
hear

Just what they gain from this To me remains unclear

I would much rather listen to What's actually on your
mind

And you not be so certain About what I want to hear in
mine

It becomes such a dumb habit To answer in this way

Like the automatic "fine" When questioned about your
day

Wouldn't it be far better To be honest and sincere

And say "Iv'e had a shitty day!" And "how was yours, my
dear?"

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**
Well the "Left" is at it again! It is Trump's
fault the Coronavirus in going to wipe out
the entire world! Well there is a
brightside to that thought! It would shoot
the little slug "Greta Thunberg's" future
political career right in the ASS! The Left
has no program to offer. Obama is trying
to lay claim to the economy, even though
he said that a 2 GDP and that thousands
of jobs were never coming back, it was
his great work that Trump is stealing
credit for! There is not one thing the Left
has offered to the American Citizen ex-
cept she is going to spend the hell out of
your savings and don't get to attached to
a paycheck because that will be going
down the toilet as fast as the aftermath of
a greasy burrito. On the brightside!
Hillary Clinton is to be called in under
oath to answer questions about her
