Pamela's World!

Hello my Friends! Do you know when your in love ?
Fall in love with the person in the mirror first ! My father's advice to me was " While your waiting for the right one to come along, Work on becoming the right one your-self " I I can admit painfully I have a few shortcomings & charter defects, Not sure is which ? but a lot has happened since coming back to the high desert 2010, Today I'm PROUD of my self For being able to stay sober, through the most pain full losses in my life, I've become someone that is so much stronger, i have more confidence in my self to take ricks & take the road less traveled & new adventures , So that being said, Today 10 years later, not only do I love my self, But I'm in love with the man I wake up to every day ! Stay positive, brave, & bold enough to look in the mirror & say " I LOVE YOU " Be good to your self & others.

Pamela's Cleaning Service has a new Office phone # 760.810.7227
So be good to your self & each other.
Until next week Lil Sista.

From the Editor "Side Note!"

Monday at 3:15 pm California time the price of a barrel oil dropped to \$31.00 on the open market. That is great if you live anywhere other than Commiefornia! You should have heard by now that there is another problem in Torrence with the refinery. Not just changing to the Summer Blend, but the damage to the plant from the yearly scheduled fire did more damage than the past on schedule fires. When are you "STUPID SHEEP" going to get a pair of "BIG HAIRY BALLS" and go after that "SACK OF FERMENTED RAT CRAP" Gavon Newsom and hold him and the other "TOADS" in Sacramento accountable? We need to turn this state as RED of a RED as possible. If you think Socialism is the way, consider moving to North Korea!

TRUCKERS BEWARE!

Rent ! I have room to park 4 18 wheelers plus big work shop in Victorville. Call Rudy 760-953-0385 8am to 8pm 7 days.

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013 and now I'm sharing them with you, Enjoy!

The Little Voice

Some people will tell you What they think you want to hear
 Just what they gain from this To me remains unclear
 I would much rather listen to What's actually on your mind
 And you not be so certain About what I want to hear in mine
 It becomes such a dumb habit To answer in this way
 Like the automatic "fine" When questioned about your day
 Wouldn't it be far better To be honest and sincere
 And say "Iv'e had a shitty day!" And "how was yours, my dear?"

L. C. Stamps February 2008

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 WOW! Sanders and Biden squaring off to see who will have the honor in the "History Books" for taking down the "Teflon Don"! The more these idiots open their mouths the more I want to scream! If you are on board with either of these fools, you are a bigger fool or idiot than they are! Nothing they have said has a chance of becoming reality. We could print money till it reach the Moon and back and still not pay for all the free crap that they are promising. You surely know the old saying "If it sounds to good to be true, it's not!" I am at a point where I am embarrassed by the citizens that have drank the cool aide of the socialist agenda. We need to put our foot on the throat of the beast and push down hard till the eyes pop out of it's ugly degenerate head! Speaking of Ugly, where is **Nancy Pelosi** hiding?
