From the Editor "Side Note!"

With all the uncertainty over the Chinese Virus and the crippling effect it is having on the world and our country "Thank God for Trump!" If anyone else was in office as our President we would really be screwed! The other day I saw our President call out a reporter for wanting to sensationalize the story rather than telling the facts. Trump yanked this dimwit up by the neck, dropped his drawers and spanked his ass in public for being such a horses ass! Having Trump as President in these times is the only thing that will save us. I want Pelosi and Schumer to be replaced. They are holding up the package to help the citizens so they can get money for abortions, green energy, and wind generator tax breaks. Really?

TRUCKERS BEWARE!

Rent ! I have room to park 4 18 wheelers plus big work shop in Victorville. Call Rudy 760-953-0385 8am to 8pm 7 days.

My Mother wrote these poems before she passed in 2013
and now I'm sharing them with you, Enjoy!

How Far Would You Go?

How far would you go To help a good friend
How far would you go To help a heart mend
How far would you go To prove you are strong
How far would you go To prove you're not wrong
How far would you go To reach all your goals
How far would you go To play out your role
How far would you go To dry someone's tears
How far would you go To ease someone's fears
How far would you go On the long winding path
Seeking the answers Doing the math
Trying to do all that you can To give care and comfort
To your fellow man How far would you go
To accomplish this plan As far as it takes
As long as I can

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

The world is going to HELL in a HAND BASKET because the media has over played the Corona Virus! Trump told us the truth and showed us that the criminal element in Washington has been stealing our wealth for decades. This is one battle that as a nation we can't afford to lose. The Left is still focused on bring down the President because they can't beat him in 2020. We are hiding in our homes because the Left (Pelosi and Schumer) refuse to act on anything to do with anything that is going to help the American Citizens. They are putting everything that we don't need attached to the Corona Virus bill. All of the people who have been voting for the left and who are going to vote for socialism need to look closely at the real agenda behind socialism. The politicians in socialism are the only ones who will be taken care of the people will be stealing garbage from their neighbors. If your family dog or cat have gone missing and your neighbors are having a BBQ you will know without a doubt that the Left have taken over in our country.
