We have Trump where we want him! We have the nation over a barrel and with the great timing of China, we have the means to destroy the economy. Good bye Trump.

How will we explain to the American citizens how we let this destroy the wealth of the nation and put everyone in danger of a civil war? You know that is what could happen?

Pelosi and gang will destroy the nation to beat Trump!

Please stay positive, this will make all the difference in your day.

 Until next week Lil Sista.

### From the Editor "Side Note!"

Our California Congresswoman Nancy Pelosi has the nerve to make the statement publically that Trump did nothing to keep the American People safe from the Coronavirus. That is not quite true Nancy. Trump put in place the order to close the border 10 days after the first case of the virus was reported. He has been a step ahead all the way across the crisis. While Shiff, Pelosi, Schumer and the rest of the bottom feeders in Washington were busy trying to impeach the President, Trump was at his best. I don't think I can imagine a better person for the job of not only saving the nation, but saving the world. Most politicians are so busy trying make us believe that they are the saviors, they only have managed to make themselves look small.

**Poet Laurel Stamps**

My Mother wrote these poems before she passed in 2013 and now I'm sharing them with you, Enjoy!

**Lullaby**

I often hear a lullaby playing softly inside my head  
 It was the song my Mother sang when she tucked me into bed  
 It's the very same lullaby that used to sing to you  
 Now you are the one whose singing it to your child too  
 Sometimes it is so haunting when I hear that familiar strain  
 It leaves me for a short time then comes back again  
 It triggers such sweet memories of a time so long ago  
 When I felt so warm and safe because my Mother made it so  
 So don't forget the lullaby, out loud to yourself sing  
 Bask in all it's warmth and the loving that it brings  
 As long as I can

**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

With the order from our esteemed leader Gavin (the mouse) Newsom to stay home and only go out for necessities has really paid off!  
**NOT REALLY!** I just thought I would blow smoke up your skirt and see if you thought I had lost my mind! With the small businesses that are closed for the moment there is a good chance that they might never reopen. Pelosi and Schumer and the PUD PULLING MEDIA are trilled that they have a chance to undo the great economy that we have enjoyed since Trump took office. The goal of the Left is to put as many Americans back on a government program like under Obama's administration. The "Fake News" and our liberal left are all about growing government and taking more and more of your rights. Right now is the time for us bringing back God, prayer, and our belief in our moral values that made us the strongest nation in history. The Communist and Socialist hate us because we will not allow their ways to destroy us. We are not, nor should we, allow one world order to make us a foot note in history.
