**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Is Kim Jong Un Dead? That seems to be the question of the day. It is hard to say yes or no on this one. He went in for heart surgery and it is not being made public at this point to the outcome? Then again, even with modern medicine, the North Korean's are keeping it close to the vest. If Kim is dead, that would probably put his sister in charge of the country and no one is sure if that would be a good thing or bad. If the doctor who did the surgery screwed the pooch, we know that he is already in the ground. We are fortunate that we don't have the same issue in the United States when it comes to medical screw ups! We only suffer under the corruption in our government like Schiff, Schumer and Pelosi! If these 3 douchebags could order it done, there are many of us who would just disappear one night and never be heard from again! From rumor, seems that Hillary and Bill, have had a run on individuals that seemed to commit suicide. It is amazing how this worked so well to keep both of them in the public eye and never really questioned under oath as to the likelihood that the handwriting on their notes seemed to match Hillary's handwriting!

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013
and now I'm sharing them with you, Enjoy!

Rest My Soul

I want to stop the world Just rest my soul awhile
Everything's so hectic I need to find my smile

The world is constantly spinning Like the thoughts
inside my head

I'd love to rest and recharge And enjoy life before I'm
dead

With the world in constant motion And the pressures to
succeed

I'ts so hard to meet demands And fulfill each person's
needs

If I could stop the world Maybe for a week or two
And step into outer space That's surely what I'd do

L. C. Stamps March 2009
