FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 The Mayans had it right! Most of the doubter's laughed and said it was just another legend with no teeth in it! Well, if you actually took the time to research the actual legend you would find that it was as accurate as Nostradamas and his predictions of the future. The mistake that everyone made was misinterpreted that they said the world would end on that day. In reality, the Mayan's said that was the day the beginning of the end of the world as we perceive it to be. This would not happen all in one day. It would be a gradual change that may take one or many years or decades. The preseption of our world has changed greatly in the last 8 years. We are seeing that on every continent and country worldwide. The meltdown of society, the panic, the lack of trust that is developing for our govenments and our leaders is reality. Here in the United States we have a faction that is out to destroy our country, our duly elected President, and steal the rights from the people that are given by God and guaranteed in the constitu-tion. If the devil ever picked a time to walk the earth it is now. He has many names and faces. His goal is only one. Destroy all that is good from God and the people who believe!

Speaker Pelosi accuses President Trump of "fiddling" instead of taking quick action on the Coronavirus. WHAT ARE THE FACTS?

President Trump announced China travel ban, established task force and declared public health emergency by January 31.

Democrats were tied up with a phony, wasteful impeachment until Feburary 5 - and didn't pass any virus legislation until March 19th. PELOSI LIES AGAIN.

Pamela's World!

Hello my Friends!

You can do anything that you put your mind to. Learn to dream with your eyes wide open. Pray as if it all depends on God and live as if it all depends on you. Do as much as possible and trust God to do the rest. You were born to shine...so let your inner light shine. Be nice; you will never regret being too kind. When life gives you second chances, take them! Stop complaining and start living. Expect miracles. Call someone in your family and practice the art of listening! See your goals; understand the obstacles; clear your mind; and create positive mental pictures. Embrace the challenge; stay on track; and show the world you can do it.

Pamela's Cleaning Service has a new Office phone # 760.885.2608
So be good to your self & each other.
Until next week Lil Sista.

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013
and now I'm sharing them with you, Enjoy!

Failure

Don't see yourself as a failure, if you do your so terribly wrong

You've merely taken a detour to get back where you belong

We all have setbacks at sometime before we can find our way through

Getting side tracked just happens and this time it's happen to you

Think of all your success, the accomplishments of the past

You're not really down and out, You're accomplishments were not your last

Sometime when we stumble along, sometimes we even fall

It's just the world reminding us, you can't possibly win them all

The good will come with the bad, success when failure departs

L. C. Stamps March 2009
