**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**  
 The masks came off, and now we need the gloves to join them. When are the Sheeple in Kommifornia going to stand up to Gavin Newsom and demand accountability? His latest wet dream is to go completely to mail in ballots. Can you imagine how well that would work? The Left, great people and solid Americans that they are, would make sure that every ballot was accounted for. If you believe that you really do need to get on or off of some serious drugs. As is, the Left has abused the system in every way you can imagine. They are demanding accountability from Trump, yet, they are still on vacation! Pelosi is pushing for another investigation along with Pencil Neck, Bug Eyed Adam Schiff! I still can't understand why his parents didn't drown him at birth? I guess they never saw the movie "Rose Mary's Baby!" If there was ever a reason for really later term abortion, Adam Schiff is the poster child. Newsom has hired the likes of Tom Styer and other ass rags to help design a plan to get the state's economy up and running again. It would take care of it'self if Newsom would get his corrupt ass out of the way and let business take care of business!!

# Pamela's World!

**Hello my Friends!**

Do you know when your in love ? Fall in love with the person in the mirror first ! My father's advice to me was " While your waiting for the right one to come along, Work on becoming the right one your-self " I I can admitt i have a few shortcomings & charter defects, Not sure is which ? but a lot has happened since coming back to the high desert 2010, Today i'm PROUD of my self For being able to stay sober, through the most painfull losses in my life, I've become someone that is so much stronger, i have more confidence in my self to take ricks & take the road less traveled & new adventures , So that being said, Today 10 years later, not only do i love my self, But I'm in love with the man i wake up to every day ! Stay positive, brave, & bold enough to look in the mirror & say " I LOVE YOU " Be good to your self & others.

Pamela's Cleaning Service has a new Office phone # 760.885.2608

**Poet Laurel Stamps**

My Mother wrote these poems before she passed in 2013  
 and now I'm sharing them with you, Enjoy!

**The Little Voice**

The little voice within me, I don't even know it's name  
 But it's purpose seems to be, To judge and cause me  
 pain

The little voice within me that tells me when I do,  
 things  
 that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down  
 and out

When I'm really doing bad things it gets angry and it  
 shouts

It doesn't talk to others or tattle about my sins  
 It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things  
 right

But let me do a single wrong and it will keep me up all  
 night

L. C. Stamps February 2008
