FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well, I know that you see a difference in the paper this week. We had to rescale and rearrange to accomodate the Chinese Corona Covid-19 Virus. Well that should piss off all the snowflakes that follow my writings just so they can call or email me to say what a racist, bigot and all round ass I am! It really doesn't bother me to hear anyone's thoughts. That is what America and being American means. We are all different. That is to be expected. We come in all sizes, shapes and colors. God new that variety is the spice of life. The people that I go after are the corrupt criminals that have an agenda to bring our nation to it's knees on the world stage. I don't think that is going to happen as long as we can keep our President Donald Trump in the White House! The left is playing every card in the hand that they dealt to themselves. Pelosi thinks that by offering all the blue sky and cottoncandy there will be a rise up against the right and everything it stands for. There are bad people in Washington on both sides of the isle. They want us to fail because they are the ruling class and we are not smart enough to pour piss out of a boot. All the new information on how the legal system under Obama was used to destroy lives and break people has never been witnessed before in our entire history. Newsom is under the impression that he is now the new ruler of Commiefornia and will not allow anyone to challenge him in his time on the throne.

Pamela's World!

Hello my Friends!

Do you know when your in love ? Fall in love with the person in the mirror first ! My father's advice to me was " While your waiting for the right one to come along, Work on becoming the right one your-self " I I can admitt i have a few shortcomings & charter defects, Not sure is which ? but a lot has happened since coming back to the high desert 2010, Today i'm PROUD of my self For being able to stay sober, through the most painfull losses in my life, I've become someone that is so much stronger, i have more confidence in my self to take ricks & take the road less traveled & new adventures , So that being said, Today 10 years later, not only do i love my self, But I'm in love with the man i wake up to every day ! Stay positive, brave, & bold enough to look in the mirror & say " I LOVE YOU " Be good to your self & others.

Pamela's Cleaning Service has a new Office phone # 760.885.2608
So be good to your self & each other.
Until next week Lil Sista.

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013
 and now I'm sharing them with you, Enjoy!

The Little Voice

The little voice within me, I don't even know it's name
 But it's purpose seems to be, To judge and cause me
 pain

The little voice within me that tells me when I do,
 things
 that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down
 and out

When I'm really doing bad things it gets angry and it
 shouts

It doesn't talk to others or tattle about my sins
 It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things
 right

But let me do a single wrong and it will keep me up all
 night

L. C. Stamps February 2008
