**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Well it is getting even crazier than even a syfi writer could have imagined. I was pleased to hear our President address the cirsis at hand and demand that the states come forward and activate the National Guard to keep law and order. As said, the governors will control this ANTIFA Terrorist group or the President will be glad to step in and take action to protect life and liberty of the law abiding citizens that have done nothing to wrong anyone. The death of George Floyd is a tragedy and the people who are causing all the hate and destruction do not care about the Floyd family or their grief. We have the ass hole politicians who are on the left that are cheering on the destruction. Mark Takano is one of the pieces of shit from Commiefornia. He also list Michael Brown who was a thug, thief and God only knows what else in the same catigory as George Floyd. Listen up Takano, your days are numbered. You are a traitor right up there with Adam Schitt and Pug face Pelosi. Seems the states that are run by Democrates are the ones that ANTIFA are held in high esteem with the Epsteins, Clintons and Winesteins of the country. You know, the bastards that rape young women, destroy lives and dare anyone to touch them. We need to get things under control quickly. The riots and destruction have made it's way to the high desert. Hesperia, Apple Valley and Victorville. Lucerne is safe, too many armed rednecks of all colors in this town. Bless us Lord!

# Pamela's World!

## Hello my Friends!

Today I'm in New Mexico visiting my Dad. As I crossed over from Az. into N.M. signs flashing FACE MASK MADATORY ! This morning I can hear the P.B.S. News in house talking about the Protesters/Riots, my Payers go out the the family who has lost a young man, Son brother, Uncle, Nephew, Father, GRANDFATHER ,FRIEND & A child of God !. Stop! Now take a deep breath. One person can be so many different roles to others. As a child I would see many generations gather under one roof. DEATH IS FINAL, What blows my mind is that in the year 2020 folks are choosing to leave there homes to protest / riots. Are they forgetting about the virus. So many lives have already been lost. I THOUGHT YOU YOU SMARTER THAN THAT ? Be heard I thought the internet was EVERYWHERE, GO VIRAL, ALL LIVES MATTER !

P.S. check out the person in the mirror first, are you the problem OR are you part of the solution!

**Poet Laurel Stamps**

My Mother wrote these poems before she passed in 2013  
 and now I'm sharing them with you, Enjoy!

**The Little Voice**

The little voice within me, I don't even know it's name  
 But it's purpose seems to be, To judge and cause me  
 pain

The little voice within me that tells me when I do,  
 things  
 that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down  
 and out

When I'm really doing bad things it gets angry and it  
 shouts

It doesn't talk to others or tattle about my sins  
 It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things  
 right

But let me do a single wrong and it will keep me up all  
 night
