**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

I am really having a hard time keeping a civil attitude when it comes to dealing with White People, beating down White People for being born White! Are you kidding me? Here is how if actually breaks down. Trump is President. All Lives Matter! Hollywood Degenerates need to shut the FUKK UP! I don't need them or a bunch of over paid, over glorified athletes being on the side line to beat on anyone who has a different view or opinion. I am sick of politicians like Schiff, Pelosi, Schumer and Nadler who need to be hung in a tree somewhere by the head and have the neighborhood kids show up for a "PINATA PARTY!" I am sick of the double standard that is destroying my country. Last week I was with the "Oath Keepers" to make sure that the local protest stayed peaceful. I was told that they (ANTIFA) was going to hijack the BLM movement. That never happened. One of the individuals whom I really have no use for was just a big a racist as the crap cop that killed George Floyd. I had to bite my tounge. I moved away so as not to start a war with the group I had showed up to help devert a war. Understand this! I defended your right to be who you are, think the way you choose, and live life by your terms. I only ask the same respect for my life, values and dreams. You can be what ever you want in the United States of America, why do you feel that I don't have that same right? If this bothers you I don't care. I am still a "Oath Keeper!"

**Poet Laurel Stamps**

My Mother wrote these poems before she passed in 2013  
 and now I'm sharing them with you, Enjoy!

**The Little Voice**

The little voice within me, I don't even know it's name  
 But it's purpose seems to be, To judge and cause me  
 pain

The little voice within me that tells me when I do,  
 things  
 that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down  
 and out

When I'm really doing bad things it gets angry and it  
 shouts

It doesn't talk to others or tattle about my sins  
 It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things  
 right

But let me do a single wrong and it will keep me up all  
 night
