**"UNSPOKEN THOUGHTS"**

ANTIFA has taken over Seattle, Washington? Really? The mayor of Seattle, Jenny Durkin, says it will be the summer of "LOVE"! Yo, Durkin, are you really that much of an idiot or are you just that stupid? Summer of love was in the late 1960's and all it managed to do was promote the use of drugs, sex with as many partners in one day you could manage and Woodstock. The Governor of Washington State is just as bad. Since when do we allow a bunch of little degenerate piss pots take over a city, much less a major city? If you follow the timeline sincef Trump got elected there has only been on thing on the minds of the degenerate left. Get rid of Trump at any cost! Screw the people and the nation. He is standing in the way of more corrupt elected officials becoming rich at the peoples expense. Pelosi said it best! "We can't trust the American Citizens to vote the way we need them to vote." Really Pelosi? I am starting a list of all the traitors that we will need to deal with one way or another in the next 12 months. Maxine Waters is high on that list. She was screaming like an idiot to "Impeach 45" and Trump wasn't even sworn in yet. If the mayors and governors don't have the balls to do the job and keep the citizens safe then we have no choice but to send in the military. Wake up you stupid sheep and start seeing the coolaid cups that are just waiting for you to take a sip. Our country is under attack and you want to make excuses for bad behavior.

# Pamela's World!

**Hello my Friends!**

Hope everyone is coping with the changes going on in your life as well as the world around us. I looked up the word, PERSEVERANCE \_ per-se-ver-ance "Persistence in doing something despite difficulty or delay in achieving success. WOW that can be a great quality, So if you keep doing what you've been doing - than your going to get the same results, Meaning, if your not happy with the results, do something different to get the results your happy with ! At 58 yrs. I'm always willing to KEEP AN OPEN MIND. watching others or even asking " How to do this or that ? Remember others can try to stop you TEMPORARILY, Only you can stop yourself, PERMANENTLY, It's your life, make it matter.

**Poet Laurel Stamps**

My Mother wrote these poems before she passed in 2013  
 and now I'm sharing them with you, Enjoy!

**The Little Voice**

The little voice within me, I don't even know it's name  
 But it's purpose seems to be, To judge and cause me  
 pain

The little voice within me that tells me when I do,  
 things  
 that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down  
 and out

When I'm really doing bad things it gets angry and it  
 shouts

It doesn't talk to others or tattle about my sins  
 It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things  
 right

But let me do a single wrong and it will keep me up all  
 night

L. C. Stamps February 2008
