**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Well the left and the little worthless piss pots that they have let run wild in many of our cities has got to end! The new "Youth" of our nation doesn't have the slightest idea of anything in the real world. We need to step on these bugs hard and heavy before they start reproduction! We have a faction in the world that has been moving slowly for decades to dismantle and destroy our wonderful nation. We are not perfect but we are still way ahead of what ever shithole is in second place! Biden has been locked up in his basement for the last 3 or 4 months so as not to allow his to much rope to hang himself. The left is now putting pressure on Biden to pick a woman of color runningmate. It really doesn't seem to mater if the individual is really qualified to become president if there is ever an issue with Biden and his health. I would hate to see a sack of shit like Kamel Hair Harris be the next in line for the top job in the nation. After all, let's call it like it is! Kamala Harris is nothing more than a whore who spread them wide for the mayor of San Fransisco and God only knows who else? If she were a Republican she would have already been destroyed by the left and the corrupt media. The double standard that has been allowed in our country has got to be put to an end. When you have convinced White people to beat on White people for being White it has gone to far. I refuse to apologise for being who I am. I am full on board with "ALL LIVES MATTER!"

Poet Laurel Stamps
 My Mother wrote these poems before she passed in 2013
 and now I'm sharing them with you, Enjoy!

The Little Voice

The little voice within me, I don't even know it's name
 But it's purpose seems to be, To judge and cause me
 pain

The little voice within me that tells me when I do,
 things
 that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down
 and out

When I'm really doing bad things it gets angry and it
 shouts

It doesn't talk to others or tattle about my sins
 It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things
 right

But let me do a single wrong and it will keep me up all
 night

L. C. Stamps February 2008
