New guests weekly!

THIS FRIDAY 7/3 on Trevor's Happy Hour you can listen to a 2 hour special with actor / comedian **RONNIE SCHELL** who is an American actor, stand-up comedian, and voice actor. He appeared on the May 28, 1959, episode of the TV quiz program You Bet Your Life, hosted by Groucho Marx. Schell demonstrated a comic barrage of beatnik jive talk. As a stand-up comedian, he first developed his act at the hungry i nightclub in San Francisco, California. Schell is probably best known in his 1960s television role as Duke Slater in Gomer Pyle, U.S.M.C.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I never cease to be amazed at the double standard and hypocrisy in this state and our nation. You have a Governor in Sacramento that is without a doubt competing with Cuomo in N.Y. for being the biggest kiss ass in the nation. Both of these bastards could care less about their citizens. All they care about is passing the buck and staying in power. Everyone on the Left that is on board with the crap that is going on is just as guilty of treason as all of the corrupt politicians across the nation. Where are the good people in our cities when we see the anarchist take over our cities and attack our citizens, and destroy private and public property? The Presidential candidate for the left is kept in his basement where he can't make too many gaffes that will clue the public in on how far gone Biden really is! Sleepy, Creepy, Pinocchio JOE! Joe Biden is not a fit candidate for the highest office in the land. This fool isn't sure from one moment to the next where he is, who he is talking to, who he is and did he take a dump in that new napper crapper that some nice lady put on him. In a debate against Donald Trump, he doesn't stand a chance. So, when the debate comes, don't be surprised when Sleepy Creepy Pinocchio Joe walks over to the corner of the stage, sits down and smiles at the crowd as he pulls off his Depends and starts playing with his poop! The only good thing is he is playing with his poop and not someone else's!

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013
 and now I'm sharing them with you, Enjoy!

The Little Voice

The little voice within me, I don't even know it's name

But it's purpose seems to be, To judge and cause me
 pain

The little voice within me that tells me when I do,
 things

that are right and proper, things both wrong and taboo

It will whisper words of comfort when I'm feeling down
 and out

When I'm really doing bad things it gets angry and it
 shouts

It doesn't talk to others or tattle about my sins

It would rather stay inside me and really do me in

It never seems as delighted when I'm doing all things
 right

But let me do a single wrong and it will keep me up all
 night

L. C. Stamps February 2008
