THIS FRIDAY 7/10 on Trevor's Happy Hour you can listen to a 2 hour special with actor / comedian **RONNIE SCHELL** who is an American actor, stand-up comedian, and voice actor. He appeared on the May 28, 1959, episode of the TV quiz program You Bet Your Life, hosted by Groucho Marx. Schell demonstrated a comic barrage of beatnik jive talk. As a stand-up comedian, he first developed his act at the hungry i nightclub in San Francisco, California. Schell is probably best known in his 1960s television role as Duke Slater in Gomer Pyle, U.S.M.C.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well the lowest of the low points in our nation happend this weekend, The 4TH of JULY is now a celebration of "White Supremacist"! Everyone was ordered to stay in and avoid contact with others. Beaches were ordered closed, and in California the bars were also ordered closed by GagMe Newsom. This hypocite is a partner in a winery, that was the only county in the state that didn't have to shut down for the holiday. GagMe Newsom was not about to lose any money of that magnitude when he now was the only game in town! We have the "Everyone get's a TROPHY" generation destroying our history and burning public and private property. The "LEFT" has committed treason, and are these the bastards that are in Washington, D.C.. We now have the Black National Anthem which comes from the NAACP in 1919. Now if you sing the Star Spangled Banner you will be booed and probably attacked for being a White Supremicist. Your children are in danger, regardless of color. Seems the only thing that Black Lives Matter does is Kill Black people indiscriminately and most of them are children. It is not about Trump, he is just in their way. It is about the dream of all the Socialist and Communist over the decades kill America. We have let the devil take control, our morals and values have been hijacked. We let to many evils become normal in our everyday lives. If we don't turn to God, we are lost. Trump 2020!

Pamela's World!

I hope everyone had a great weekend. I know with so many holidays 1. Mother's day, 2. Flags day, 3. Father's & 4th of July, Today I am in South Dakota, Yes, President Trump came to town & I had to say No to a lunch date with Donald. lol Randy & I are still avoiding large crowds & playing it safe. While I'm traveling in a motor home we do all our own cooking, but once in a while the club house of the R.V. parks we stay in, would have a potluck & I want to give personally a shout out to, Gerri for the many recipes she has shared in the Nickel Shopper. A recipe for any holiday & I'm able create a great meal for so little money & then I share a dish at potlucks where ever we go. Folks if you have family favorite recipes & want share us . Send us a email (address is on the front of The Nickle Shopper) Please dont wait for holidays to have family get together, P.s. Insanity does not run in the family, It strolls through, takes it's time; And gets to know each & everyone **PERSONALLY !**

So be good to your self & each other.

Until next week Lil Sista Pamela.
