This week 10/2 on Trevor's Happy Hour you can listen to our interview with **TEMPEST STORM** "The Queen Of Exotic Dancers"

TEMPEST STORM is an American burlesque star and motion picture actress. Along with Lili St. Cyr, Sally Rand, and Blaze Starr, she was one of the best-known burlesque performers of the 1950s, 1960s and 1970s. Her career as an exotic dancer spanned more than 60 years and she was still performing in the early 21st century. Storm was a regular performer for many years at El Rey, a burlesque theater in Oakland, California, as well as at clubs around the United States, including in Las Vegas. She was featured in numerous men's magazines and burlesque movies, including French Peep Show (1950), Paris After Midnight (1951) Striptease Girl (1952), Teaserama (1955) with **BETTIE PAGE**, and Buxom Beautease (1956)

## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

On Monday I was watching Fox News and they played Camel Face Harris speaking . You talk about one ugly arrogant Jamacain whore. She makes Trump look like an amature when it comes to blowing one's own horn! No pun intended with the horn blowing, I'm sure that there are those who find my writing to be a bit, let's say, **CRASS!** I would not say crass, just blunt and to the point. I listened to some stay at home moms in Ohio. These 8 women could not thread a needle without the help of a team of surgeons. On the up side I did have a gentleman call in twice on the editor's line. He was so full of crap I thought he was looking for someone to change his Napper Crapper! (Adult Diaper)

As November get closer the violence in the Democrat run cities is going to increase. The Dem's have shown that between all of them they don't even have a pair of balls big enough to hang on a knat! If they were to locate a brain, they would take it out and play with it. The attacks against the Supreme Court Nominee is going to be even more vicious that the one on Cavanagh. Pelosi is spewing so much hate that you can actually see the veins bulging in her face and throat! If you slapped both sides of her face at the same time her head would explode like an over full pimple. The Left want's Ginsberg's last wish respected. Well, her wish is not the constitution. You need to keep that in mind Home Simpson when you vote this time!
