FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

In giving it serious thought today I came to the conclusion that the right (Conservatives) caused all the chaos and conflict that we now are facing as a nation. I have a friend of 50 years who will be happy to hear that from me. We on the right in trying to appease every TOM, DICK and HARRY have pushed the nation to a point of collapse. It started with Prayer removal from our schools and on and on. We have allowed more or less 7% of the nation to dictate if or how we pray, to accept men using the ladies room and vise versa. We now have everyone thinking that they are owed something for doing nothing but complaining. We have millionaire sports figures who hate the nation and the people who made them rich beyond the average person's dreams. We have those who want the border open and the wall torn down. We have teachers that are teaching our youth how to hate this nation and oppose democracy. The "WOKE" movement is just another way of saying "I believe in Socialism and will take everything others have worked for and demand more. We now have people labeled White Supremacist because they are tired of seeing businesses burned, property destroyed and people murdered. These guys have their nerve not getting on board with the NEW NORMAL. Yes my friends we caused this to happen because we didn't want anyone to have hurt feelings and be left out!!! Everyone expects a trophy! We will regret that for the rest of our lives!

New guests weekly!

This week 10/9 on Trevor's Happy Hour you can listen to our interview with TEMPEST STORM "The Queen Of Exotic Dancers"

TEMPEST STORM is an American burlesque star and motion picture actress. Her career as an exotic dancer spanned more than 60 years and she was still performing in the early 21st century. Storm was a regular performer for many years at El Rey, a burlesque theater in Oakland, California, as well as at clubs around the United States, including in Las Vegas. She was featured in numerous men's magazines and burlesque movies, including French Peep Show (1950), Paris After Midnight (1951) Striptease Girl (1952), Teaserama (1955) with BETTIE PAGE , and Buxom Beautease (1956)

Pamela's World!

Hello my friends,

The Nickle shopper paper has been many things for so many different lifestyles. I had met a woman at a gas station who was reading the Nickle shopper while waiting in line to pay for gas. So i asked her thoughts on the paper ? She said " I know the paper comes out on Thursdays & my husband looks forward to reading " Unspoken Thoughts & I love the recipes & Pamela's World. We both have a scrap book, when we are done reading I'll cut out the recipe, unspoken thoughts & Pamela's World, I have to admit that same paper, will end up in the bottom of the bird cage, I also have use it to clean my windows & have rolled it up to swat my dog's bottom, I guess The Nickle shopper & I have been through a lot together." Then she took a deep breath, laughed & she said " Well my husband has past away now. He was always saying " I sure hope to meet this man who writes these words, I would shake his hand, look him in the eye & Say " Thank you for having the balls to say what we all are thinking!" She ended with " I lost my husband, But I'm still in a relationship with the Nickle shopper! We called it... a Thursday Three-some & W/O SEX! lol

I want to thank our loyal readers. We are still here for YOU, so let's get busy cleaning out your closets & your garage, you can advertise what you want to sell & put some cash in your pocket.
