## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

I have a friend in Texas that I have known for over 50 years. She said that I should broaden my perspective of the Democrat Party. She said I should be the bigger man and write something shedding a better light on Joe Biden. After all, "she said", you expect people to respect your President! So I decided to give it a go! I will admit that I come down hard on the Left and just about anyone attached to that faction. So here goes!

Joe Biden posing for a picture being taken by a camera man from one of the networks that hate Trump and his achievements!

Down side, Biden had no clue who this guy is and asked point blank, "Hey Man, can you help me change my diaper?"

Hi, I'm Joe Biden! I think? Not sure why I'm leaning on a desk? I hear there is an election coming up and I plan to vote Trump all the way! I think he can do a good job for the country! They say that I am not as sharp as I used to be! I still remember when Denzel Washington was President and I was his Wing Man! Wait, it was Eric Holder who was wing man for Morgan Freeman? Anyway, I know I was in the senate for at least a couple years. Don't let them fool you with my mental ability. I am as sharp as ever. My only question is why am I leaning on this desk, who are you and where is the woman who changes my Depends? Last thought for you! KAG! "TRUMP 2020!"

# Pamela's World!

Hello my friends,  
The year 2020 Has a deadly virus, It is world wide & The presidential campaigns/debate.& The Protest on Black lifes matter. They are all very serious issues, Ask your self. How do I react? How do I speak to someone. Please Our children are watching & learnig & repeating. Set good examples...  
**WE HAVE NOT INHERITED OUR LANDS FROM OUR FATHERS....**  
**WE ARE BORROWING IT FROM OUR CHILDRE N .**  
I have to remind my self every day, That I am powerless over People, Places & Things..So if the noise pollution is a problem? Turn it off, put some music on & take a moment for yourself.
