**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

One more week and we will know if we still have the United States of America or The United Socialist States of Harris! The reason I omitted Biden in that statement is because he won't be in office long enough to break wind! I will say one thing in favor for Biden! When he said he never took money from foreign governments or criminal organizations he was telling the true. He took money from Hunter who took it from foreign governments and corrupt corporations that needed the access to Biden and Obama. If you don't think Obama was dirty you are an idiot and your right to vote needs to be suspended! All the Washington Swamp Dwellers have played the system. Now for a different complaint. Anyone who is planning a wonderful Thanksgiving with family you have another thought coming. Gavin Newsom AKA Whip Lips, has laid out the new rules and you and your family had better down load them and toe the mark! This bottom feeding joke needs to get after his Aunt Piss Face Pelosi about cleaning up her town! I am so fed up with the lie about the Chinese Virus that I want to plant a boot up the ass of the Left! We have been lied to. The CDC said that the numbers were padded and that the actual number of deaths was 6%. One death was one to many and China needs to pay! We are hearing about the early voting and the number of Democrat voters is high than Republican voters. Keep one thing in mind, the early numbers don't mean that they are in favor of the Pedophile and his Whore.

# Pamela's World!

Hello my friends,

I'm back in the high desert after traveling in a motor home for 9mo. With my Fiancé, I really enjoy a different kind of life style. The perks of traveling in a motor home. We don't have to STOP for bathroom breaks, fast food / junk food or spend money on hotels. 2. The view is great and there are so many windows throughout the whole motor home. 3. I have my very own chauffeur & He comes with many extra benefits. 4. The very best part of RV-n is ..... While Randy is driving down the road, our 38ft. chariot ,now has turned into a GIANT skateboard. I have put my head phones on & danced for hours. I should make a video & call it " SENIORS GONE WILD !!! " & The down side of the RV is....When you open the door to step out, STOP & look to see if the steps are out. OR you be on your back side. Stay safe ! I was telling a friend that I have to wake up before the voices start in the morning. She quickly asked " Oh are you a Medium ? " & than I said " No, I am a large " We laughed & then I said to her " I hear voices because we would always be in a different campground. We always had new neighbors.
