FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well it seem that the people who have spent the last 4 years attacking the legitimate President of our country are now saying that we need to heal and come together as a nation. Where the hell do these individuals come up with this crap? There is no way a man who is running for the Presidency who can only draw between 100 and 200 people even with the help of that dim witted joke Obama touting for him at his rallies? Trump has drawn upwards of 57,000 and as few as 12,000 to his rallies. The issue never was to get Biden elected. The goal was to get Kamala Harris in position to take over as President within a very short time of the inauguration and promote the Speaker of the House as Vice President. I have no use for either of these women. They do not care about you, your family, this country. On the other hand the media has now promoted themselves to the position that they certify the election results. Actually the Elections Services Division is responsible for certifying state election results. The president and vice president of the United States are elected by the Electoral College, which consists of 538 electors from the fifty states and Washington, D.C. Electors are selected state-by-state, as determined by the laws of each state. No where does it say Don Lemon, Anderson Cooper or Hillary Clinton are the new appointed individuals that call the certification. Once the investigation is complete and we have facts there will be only one President. If not Donald Trump kiss your ass good-bye!

New guests weekly!

This week 11/13 on Trevor's Happy Hour you can listen to a 2 hour special about the most underappreciated television show of ALL TIME !!! AMOS N ANDY...

Amos 'n' Andy was an American radio and television sitcom set in Harlem, the historic center of Afro-American culture in New York City. The original radio show, which ran from 1928 to 1960, was created, written and voiced by two white actors, Freeman Gosden and Charles Correll, who played Amos Jones (Gosden) and Andrew Hogg Brown (Correll), as well as incidental characters.

When the show moved to television, black actors took over the majority of the roles; white characters were infrequent. Amos 'n' Andy began as one of the first radio comedy series and originated from station WMAQ in Chicago. After the first broadcast in 1928, the show became a hugely popular radio series. Early episodes were broadcast from the El Mirador Hotel in Palm Springs, California. [4]: 168–71 The show ran as a nightly radio serial (1928–43), as a weekly situation comedy (1943–55) and as a nightly disc-jockey program (1954–60). A television adaptation ran on CBS (1951–53) and continued in syndicated reruns (1954–66). It would not be shown to a nationwide audience again until 2012. [Hosted by Terry Smith and Produced by Trevor Garner this show received many callers from all over the United States and includes LIVE interviews with some of the last living cast members.

Pamela's World!

Hello my friends,

Finally the election is over, or is it ?
Wow the world is watching & Laughing.
We witnessed so many young adults & many of our 18 + Yr. Olds voted for the 1st time. I will say " THANK YOU " For taking action, The United states has been Dived. These two words are the opposite of each other. How is your Attitude towards others around you, work place, home , relationships ?? I have no control over People, Places, and things. I don't waste my energy or time wondering or worrying about things, I'm focusing on the issues that matter ! Family/ home ...So I may not be the president, BUT I am the Queen of my castle . STAND STRONG, STAND TOGETHER. RED, WHITE AND BLUE.

Call me 760 885.2608 or leave mess. 760.810.7227
Until next week Lil Sista Pamela
