**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

This week is a call to arms for the citizens of our country to unite. We have a faction that is now threatening to destroy our country and our way of life. It has been coming for many decades. It started with simple small changes to everyday life. Just like the frog in a pan of water on the stove. As you heat the water the frog is indifferent to the rising temperature. Before long Mr. Frog is now cooked through and through. We have one opportunity to put the screws to the sacks of petrified manuer in Washington and hold them accountable for treason against the United States of America and our duly elected President. Schumer, Schiff, Pelosi, Swalwell, Brennen, Comey, Clapper and all the other traitors that have plotted against us, our lifestyle and our right to elect the person of our choice to the highest office in the land. I don't need to see any other hand gestures from Pelosi other than her waving goodbye to the other traitors as the trapdoor opens. I personally think that if we don't put and end to this before a deadline of Jan. 19, 2021 we are lost. We will either be servants to a cruel master who is never satisfied or we will be wondering in the wilderness wondering what we should have done. The Consitution of the U.S. states clearly our rights as citizens of a free nation. It is not illegal for us to physically take back control of our government. Our forefathers were fully aware of what corruption andf evil can do to us and gave us our means to defeat it. Rise up and be counted or lay down and?

## New guests weekly!

This week 11/20 on TREVOR'S HAPPY HOUR we will revisit our interview with former two-time Cy Young Award winner and the last man to win 30 games in Major League Baseball, DENNY McLAIN. Denny McLain's 1968 season, "the year of the pitcher", turned in one of the best single-season performances by a pitcher in Major League Baseball history. The 24-year-old was 31-6 with a 1.96 ERA and won the American League Cy Young Award as well as the American League MVP Award while being selected to his second All-Star Game. McLain also anchored a staff that went on to lead the Detroit Tigers to a World Series victory over the Bob Gibson and the St. Louis Cardinals. McLain is one of two men to reach the 30 win mark since 1934. With The 2015 World Series in just a few days Denny will break down the Series and give everyone some great stories about his role in winning the 1968 World Series. He might even give some lessons with his musical genius..

## Pamela's World!

Hello my friends,

how are most of you coping with all the news on TV. Or even folks standing around talking about what's going on in the world & already assuming how the next 4 yrs. will turn out. As for myself I stay in the moment & try to focus on the task at hand. Since I have No control over anything on outside issues. I am responsible for.. My thought, My words & My actions. So, I will keep a positive attitude on whatever comes my way. I hope you will find Love, hope & peace in your everyday life. until next week Lil sister Pamela
