New guests weekly!

This week 11/27 on TREVOR'S HAPPY HOUR our guest will be Valarie Stewart. We will be talking to Valarie about her fathers legacy..... Nick Stewart (the voice of Brer Bear in Disney's Song of the South/the character Lightnin' in Amos 'n Andy TV show), who with his wife Edna Stewart, founded the historic Ebony Showcase Theatre in 1950. Nick Stewart was an African American actor who founded Los Angeles' Ebony Showcase Theater. He was born Horace Stewart in Harlem, briefly trying his luck at boxing, took to tap dancing, and later made the rounds as a stand-up comic. Stewart used various names, including Nicodemus Stewart, in a career that began in the 1930s and lasted for decades. He made his first movie appearance in 1936's Go West Young Man. The voice he contributed for the character of Br'er Bear in the 1946 animated film Song of the South lives on in Disneyland's "Splash Mountain" ride. But his life's work was with the Ebony Showcase Theater, which he and his wife, Edna, founded in 1950. He started the theater with money he earned playing the janitor Lightnin' on Amos 'n Andy in the early 1950s. "His life was that theater." Actors such as John Amos, Nichelle Nichols and Isabel Sanford gained early experience in the mid-city theater, which performed shows from The Odd Couple to No Exit to Carousel. It gave Blacks a chance to play non-stereotypical roles and show them as actors. Sometimes they were all Black casts, other times they were integrated casts. The Black stereotypes of Amos 'n Andy have long since come under criticism. Of her father's role, Valerie Stewart said he was a pioneer who came up from the streets of New York and it was "a part that was a steppingstone that enabled so many thousands of people to get opportunities." The Ebony Showcase Theatre and Cultural Arts Workshop, Inc. is a 501(c)(3) non profit charity that has helped thousands of people of all ages and backgrounds from 1950 to the present.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

I have seen much joy and sadness in my life. I always knew that I would make it through the tough times. I was sure that the sun would rise again giving me warmth and hope for better days and times to return. I have seen miracles and take your breath away moments that you had to see in person a photo could never capture the moment in all its spectacular glory. The last 4 years I have seen a great man and his family attacked by the corrupt criminal element that's in our government and our corrupt media. The devil has convinced the masses that Trump is the problem and he needs to be removed. They want this man to be broken and destroyed when he leaves office. They are making threats of going after him with false charges. They have accused him of everything they are guilty of. I feel sad when I see him standing there fighting the good fight. He never seems to tire even though I know that his energy must be dwindling. This man had nothing to gain by running for office. He had nothing to prove. He had the life that the jealous hyenas in Washington desire at any cost to the nation and its citizens. I want to thank him for all he has endured for this country and its people. I hope that when push comes to shove I can have the opportunity to step forward and look him in the eye and say, "My name is Carl Mr. President and my friends and I are here to help you lift the load that you have carried by yourself for so long!" He said "I knew you had my back, that is where I get my strength!"

Pamela's World!

Hello my friends,

WORRYING : Is a total waste of time. It doesn't change anything, All it does is steal your joy & keeps you very busy doing NOTHING ! My father sent this a year ago, when I see/hear anything from anyone who has walked this journey before me, you bet I'm listening. " When the student is ready the teacher appears." Meaning you have to keep an open mind, My teacher has come from a book,song,or even a complete stranger. And then when it makes complete sence , It's like a light went on & a smile on my face ear to ear. Before i may have recieved the same message, I wasn't ready to understand. All I heard was BLAH, BLAH, BLAH. Now many times I will say " If i knew then, What I know now". The days are too short as it is. So don't let worrying take you hostage.I wish all of you the very best Holidays from all of us @The Nickle shopper & We are is still open for business, This is a time to start making some extra money, Sell your treasures wltH us !

Call me 760 885.2608 or leave mess. 760.810.7227
Until next week Lil Sista Pamela
