Pamela's World! Hello my friends,

I'm always asked, "what's your sign?" My reply would be "slippery when wet!" My other would be "Men at work!" My birthday is November 13, 1961, Scorpio. When I was 8 years old I was bitten by a Scorpion. I just looked at my mom and said "It's okay mama I'll be alright, I'm a Scorpio! Luckily I was fine! Kids always say the cutest things! One time I was at Mc Donalds with my young son and he saw the words FREE Wi-Fi. When we got home he ran in the house and shouts to his brother "They have free wives at Mc Donalds!" I said "wow that was a happy meal!" His brother replied "there's no such thing as a free wife!" I then asked my son "why do you think it says free wife?" He replied, "everyone knows the second vowel is silent!" "Duh!" How cute! Until next week, you can do whatever you put your mind to! Dream big and make it happen!

God bless, Little Sis Pamela

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

The story just get's funnier and funnier!!! Our brave, fear-less former F.B.I. Director Comey is still putting his life and safety on the line to protect American Citizens!!! If any of you believe that, you are really pathetic! Comey only looks after himself, and the other corrupt swamp dwellers in Washington, D.C.. This Rat Bastard needs to be knocked off that pedestal that he has placed himself on! I can tell you without a doubt the book that he is peddling is really planed out well. Since he has not been arrested or convicted of a crime he can push to make as much money as he can. Since it is before a conviction there is no law on the books that keeps him from telling his story and making a profit from it. If convicted that book and profit will never be touched There is no law about making money from a book or story before you are actually arrested, charged and convicted. I personally am looking forward to his book signing if he comes to Los Angeles or Las Vegas. I want to stand in line with my copy of his book so I can look him in the eye, rip the book into pieces, and let him know what a bottom feeder he is. I'm sure that will get the attention of the Left! Disgraced former Gov. Rod Blagojevich is in prison till 2024. His appeal was turned down by the U.S. Supreme Court. He is going to stay there for many more years. It is interesting to know that in his case, Blagojevich never received any money or gifts for filling the seat of former State Senator Obama. He was put away for having made the statement that Obama's seat was worth a lot of money! That was it!! The seat was worth a lot of money!! Yet Comey, Clinton, Lynch, Obama and Mueller have broken many laws and are still prancing around like a group of fairies in a magical forest! I liked calling the a group of fairies!! Kind of my way at a personal jab at them for being the degenerate closet queens that they are!!
