Mueller raided Trump's Attorney's home and office today! The F.B.I. picked up files and computers!

I don't know if they were there to find out secrets about Trump, or they were there looking to see what dirt they had on Mueller!

How far will Mueller go to make a case?

Pamela's World! Hello my friends,

I'm always asked, "what's your sign?" My reply would be "slippery when wet!" My other would be "Men at work!" My birthday is November 13, 1961, Scorpio. When I was 8 years old I was bitten by a Scorpion. I just looked at my mom and said "It's okay mama I'll be alright, I'm a Scorpio! Luckily I was fine! Kids always say the cutest things! One time I was at Mc Donalds with my young son and he saw the words FREE Wi-Fi. When we got home he ran in the house and shouts to his brother "They have free wives at Mc Donalds!" I said "wow that was a happy meal!" His brother replied "there's no such thing as a free wife!" I then asked my son "why do you think it says free wife?" He replied, "everyone knows the second vowel is silent!" "Duh!" How cute! Until next week, you can do whatever you put your mind to! Dream big and make it happen!

God bless, Little Sis Pamela

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Wow!!! Things are even getting more inverted as I write this. Kanye West publically stated that he respected the thoughts of a conservative Black Woman named Candice Ownes! This woman is a treasure and West is in up to his ears not backing down at this point. Being married to "What's Her Face Kardashian" I'm surprised for him to make that statement out loud! I guess in the near future we will be hearing that him and what's her name are splitting the sheets! Shania Twain said that if she were an American she would have voted for Trump, and then back peddled at 60 mph because of liberal pressure. That's a shame, I used to like her. If you don't have guts enough to stand your ground, tuck and run because some left wing snowflake just had a meltdown over something you said, you should be ashamed. Just because Hillary lost and can't get over it, doesn't mean that you don't have the right to laugh about it! The witch hunt over the Russian interference in our election is a joke! We interfere in everyone else's elections all the time, we just pretend that we don't! Obama interfered in the Israeli election and sent money to oppose Netanyahu. I just want to know was that money his personally or was that tax payer dollars that just went down the toilet. Everywhere we turn the left is still trying to make Hillary the calendar girl for the nation. Let's take a minute to look at that! I personally think that the shaved rear end of a South bound hog has more sex appeal than Clinton. I know that there are those of you who are cringing as your read this. Then there are those of you who are laughing your asses off that I have the balls to write this. Then there is my friend Marcie W. who would love to set me on fire and toast marshmallows!
Marcie, it's all good. I even defend your right to beridiculous! Your the bomb!
