Pamela's World! Hello my friends,
 I'm always asked, "what's your sign?"
 My reply would be "slippery when wet!"
 My other would be "Men at work!" My
 birthday is November 13, 1961, Scorpio.
 When I was 8 years old I was bitten by a
 Scorpion. I just looked at my mom and
 said "It's okay mama I'll be alright, I'm a
 Scorpio! Luckily I was fine! Kids always
 say the cutest things! One time I was at
 Mc Donalds with my young son and he
 saw the words FREE Wi-Fi. When we got
 home he ran in the house and shouts to
 his brother "They have free wives at Mc
 Donalds!" I said "wow that was a happy
 meal!" His brother replied "there's no
 such thing as a free wife!" I then asked
 my son "why do you think it says free
 wife?" He replied, "everyone knows the
 second vowel is silent!" "Duh!" How
 cute! Until next week, you can do
 whatever you put your mind to! Dream
 big and make it happen!
 God bless, Little Sis Pamela

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I was going to write about Michelle Wolf, who no one ever heard of, and Sarah Huckabee Sanders. Well enough said on that one. If you saw how pathetic the left media and their ass clown puppet comedians are I need not explain! Now on to the issue that everyone in California should be upset about. GASOLINE PRICES are going through the roof! That bald headed, chicken molesting, toilet bobber Brown and his gang of dung eaters are responsible. Why in the world are the citizens in this state not rising up and holding the bastards accountable? The petition that was going around to repeal the gas tax and the higher vehicle registration fees is a success! It will be on the ballot for the voters to decide if the taxes and fees are to remain! Brown has been doing he's best to enact a law to squash the issue from being on the ballot in November. Has anyone other than myself noticed that when Brown addresses the public on any subject he seems to be fighting dementia and does quite a bit of babbling? When this loser is not bobbing for toilet trout, he is busy planing how he and the rest of the thieves can raid your pockets and your bank accounts to cover God only knows what? The Crazy Train is what he wants as a legacy! His corrupt father Ed Brown was the bastard that stole the water rights of all the farmers and ranchers when he created the Mojave Water Agency. I lost my DEEDED WATER RIGHTS on my 160 ac. ranch in Newberry Springs. The courts, corrupt on the take bastards that they are, sided with the Mojave Water Agency for ownership. The left doesn't want Trump in office because he said to drain the swamp. The left knows that more and more people are seeing just how corrupt our system has been for decades. This is a subject that I have been writing about for the last 18 years! Thank God for Trump!!!
