Pamela's World! Hello my friends,

I want to apologize for the rerun of my columns for the last 3 weeks. I have 1 son that took his own life at 38 yrs old, leaving behind 2 young kids ,a wonder full wife , & a family who loves him, & will miss him & another son who was in a car accident , ,With my faith so strong in God there's nothing that any of us can't get through, Life is always going yo have it's ups & downs. So if& you think you're in a dark place with nowhere to turn, Reach Out and find someone, A Support group, Church, A Family member, you don't have to go it alone, As for my self, I'm still sober and will continue. To be light for so many, So if you think your life is not worth living PLEASE PLEASE , Reach out and call the suicide hotline @ 1.888.210.3131 ,THERE IS A FRIEND OUT THERE WILLING TO HELP, Until next week

God bless, Little Sis Pamela

New guests weekly!

THIS FRIDAY 5/11 @ 8pm pst our topic will be caregiving for the elderly/ A caregiver or carer is an unpaid or paid member of a person who helps them with activities of daily living. Typical duties of a caregiver might include taking care of someone who has a chronic illness or disease; managing medications or talking to doctors and nurses on someone's behalf; helping to bathe or dress someone who is frail or disabled; or taking care of household chores, meals, or bills for someone who cannot do these things alone. With an increasingly aging population in all developed societies, the role of caregiver has been increasingly recognized as an important one, both functionally and economically.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
When are the citizens going to rise up and demand that the treasonous bastards that are trying to impeach Trump are arrested and put on trial for crimes against the state? John Kerry is working behind the scenes to save the Iran deal. He is not a registered agent for a foreign government, he is just a private citizen like you or I! Mueller is getting called out finally by a Federal Judge for his overreaching on Russian collusion. If Trump makes the mistake of sitting with Mueller, that might be the end of a great President and a great negotiator. Mueller, a German who is ashamed to pronounce his name correctly, thinks that he has unlimited secret powers that are bestowed upon him by Rosenstein that makes him more powerful than our courts or our constitution! Can you believe the arrogance? This SQUARE HEADED NAZI REJECT needs to have a boot put to his head. Trump has not had a moment when the left cut him slack, and that goes back to the inauguration. You have ass clowns like Maxine Waters that can only say one thing! Impeach 45, impeach 45! What a FRIGGING RETARD! Then you have Snoop Dogg, who believes he walks and talks for all Blacks, attacking Kanye West! I am not a fan of Kanye, but I do respect the fact that he has figured out to have his own thoughts and it is okay! He has questions about slavery that were never dealt with. 400 years of slavery, a very bad thing, and no one talks about the BLACK SLAVE OWNERS in Louisiana! We don't want to go there. We need to pretend that all the wrongs were done by the EVIL WHITE DEMONS! We are at a point of becoming very stupid and dangerous. When you ignore the truth and facts and start rewriting history you will be doomed to repeat harsh lessons. The RETARDED SNOWFLAKES will be our downfall. I personally think those eggs should have been stepped on before they hatched!
