Good news!
 Eric Garcetti is making the rounds to start on the trail to run for President in 2020 against Trump!

I just hope no one realizes that Garcetti is a bigger idiot than Villaraigosa! Seems to me that the days of Dem's Party is numbered!

Another Idiot about to get a lesson going against Trump!!

Pamela's World! Hello my friends,

Thank you for your phone calls last week in regards to my son's suicide. They helped me get through the week. Folks are always asking, "Pamela, you're always so happy, how do you know the right side of the bed to get out of each morning?" I replied, " My bed is up against the wall, I have to roll out of bed to the right!" What I do is make sure I do my dishes at night, so I take that time to have a "One on One with God!" Thanking him for all the gifts I received that day. The sunrise, a new flower in my window, the folks I had met. Maybe, some one needed a blessing or healing. Then I ask for myself, more courage, strength to put one foot in front of the other. So when I pull the sink plug, all of the bad goes away. My son taking his life will hurt for a very long time. So please if your going through hard times you can get through it. Call a friend, family member or even a support group.
 Make your life count.

If you are going to pray, why sorry?
 If you are going to worry, why pray?
 Until next week

God bless, Little Sis Pamela

THIS FRIDAY 5/18 on Trevor's Happy Hour @ 8pm pst
... Our topic will be **SPORTS BETTING.**

The U.S. Supreme Court on Monday paved the way for states to legalize sports betting in a defeat for the major American sports leagues, endorsing New Jersey's bid to allow such wagering and striking down a 1992 federal law that prohibited it in most places. The court upheld the legality of a 2014 state law permitting sports betting at New Jersey casinos and horse racetracks and voided the federal Professional and Amateur Sports Protection Act. Some states see sports betting, like lotteries, as a potentially important source of tax revenue. The ruling takes the United States a step closer to legal sports betting in numerous states, perhaps nationwide, rather than just in select places such as Nevada, home to the gambling capital Las Vegas.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 WOW! ERIC GARCETTI to run for President!!! Read all about it!!! Every time I think that the LEFT can't come up with some thing new to crack me up, they do! Maybe they are working hard to get the right candidate to run against Trump in 2020! Well, since your prize bitch Hillary was sent packing, your hope of finding the right person to run has actually place the bar even lower!!! Eric Garcetti is a joke, can you imagine Mayor Yoga Pants, now being President Yoga Pants? I really am having a hard time taking any of this serious. You have one ASS CLOWN after another lining up to take a grab at the BRASS RING! Have the Dem's actually lost all of their common sense? Mueller, RAT BASTARD NAZI BUTT MUFFIN that he is, is still coming up short on any collusion with the Russians. This joke needs to call it quit, take his back closet lover Comey and move to the Caribian! How CNN, MSNBC, CBS and ABC can take any thing he does serious is beyond me! Every piece of crap left wing new caster did nothing but laugh at the thought that Donald J. Trump could get elected President. Now these same losers are causing nothing but problems for Trump, of so they think! Trump, being the master of the deal is always 20 steps ahead of them. He throws out an outrageous statement as a distraction. While the left is trying to analyze what the message is, Trump is over in private taking care of the real issues at hand. Hillary is still trying to convince the world that Trump stole the election. Talk about delusional, this ASS WAD needs to go away. When she says that she lost because the men in this country did not want to have a woman for President! The truth of the matter Hillary, no one except idiots, wanted you to be the first woman President. Trump is not the problem. The corrupt, bottom feeding left is the problem. They will let the statute of limitations run out before Hillary or Comey are charged. Go figure, that is what a 3rd world nation allows!
