Pamela's World! Hello my friends,

Thanks again for your support / Prayers for my family. (you can read any past articles, or Pamela's world, Unspoken Thoughts, or look up a favorite recipe. I spent a Thursday night Concert in the park, Sat. At lions park, & Sun. At the same park as Thurs. I Was pleased with seeing how many families are out enjoying them self & each other. & A HUGE shout out to the fathers who where involved running around playing tag, with their children, a that moment the out side world didn't exist . I collect aluminum cans & plastic bottles where Everywhere I Go there is an old Indian saying " we have not inherited our lands from our fathers ~ We are borrowing it from our children "I would like to encourage you to start collecting if you don't already or save them and I will pick them up call me at 760 885 26:08, Pamela"s cleaning service uses the extra money raised to helping others ..little ways maybe needs shoes, clothes, find jobs a ride to the Dr's, shopping, Etc. I help them help themselves any donations help fund these projects together we can make a difference my newest phrase " it's not the size of the dog in the fightIt's the size of the fight in the dog.... I might be small I feel like I'm ten feet tall when I get to do God's work so if many of you I've met feel the same let's make our town a better place. I love the high desert God bless ,all of you. Until next week . Have a great day stay in the moment. DONT count the days Make the days count!

God bless, Little Sis Pamela

THIS FRIDAY 6/8 on Trevor's Happy Hour we will discuss our attendance to The Steve McQueen Car Show in Chino, CA. It was a great show

The Friends of Steve McQueen Car Show is an automotive gathering to raise funds for Boys Republic, a private, non-profit, nonsectarian community for at-risk boys and girls ages 13-17. Established in 2008 by members and friends of the (Porsche) 356 Club of Southern California, the event attracts automobile, motorcycle and off-road motorsports enthusiasts from throughout the U.S. Every summer the Friends of Steve McQueen Car Show brings thousands of spectators to the Boys Republic campus, where 16 year-old Steve McQueen spent time as a student in 1946. Since its start in 2008, the event has raised over \$2,000,000 and has helped to attract corporate interest resulting in donations of skilled labor and building materials through the Lowe's Heroes community improvement project valued at more than \$100,000.00. you can contact The Boys Republic in Chino @ 909 628 1217 and donate.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Well this week is the California Primary. Since I am writing this on Monday evening I have no idea at this point what the Tuesday outcome will be. If this state has any citizens with common sense left we will be going Republican on every issue and office. The left has done everything possible to destroy California. Even on county levels it is in bad shape. On the bright side there are some of the cities that are rejecting Brown and Xavier Becerra are trying to do with the sanctuary policy they are promoting There is actually a liberal running for Attorney General that is even worse for the state than Bacerra. I can't believe this crap. We are also hearing from all the new millennial that are 18 or turning 18 years old how they are going to fight the N.R.A. and out law all gun ownership in the state and the country. My only comment on this is "Let me see you go door to door and remove the guns of legal gun owners!" You will have your ass handed to you in a to go bag! I am so disappointed in the difficulty that our conservative citizens are facing. I do agree with the U.S. Supreme Court who sided in favor of the cake shop owner in Colorado who did not want to make a wedding cake for two men looking to get married. My thought is marry who you wish! Just don't look me in the eye and tell me that for two men to lay together is normal. It is what it is! I personally feel that everyone has the right to live their lives for themselves and to be happy. I defend that. I just don't think that to force a position or agenda that some would or will find offensive is not the way to build support. We are a nation that is on the edge of a cliff and debating to use the safe trail or just step off the edge and let the cards fall where they may. In the end, only history will say who is right or wrong. I depends on who rewrites it!
