Trump is in Singapore to meet with Kim Jong Un! This is going to be good!

Yes, all the world is watching and trying to second guess Trump. They say he needed to be better prepared! Trump is at his best when he is Trump!

Trump and Kim in Singapore!

Pamela's World! Hello my friends,

I am so pleased to see how many of you read my column. Different races, ages & some of you have a roof over your head and others don't. Remember what's really important stay in the moment and believe really really believe whatever it is you're praying for. A job, partner, kids to get into college. Leave the negative & the doubts, we should of, Or the I have would have, could have, if only!!!! What It comes down too. Is this. IS THIS.

It's not the size of the dog in the fight. It's the size of the fight in the dog I have some legal problems in the family for my son's accident but you know what I do believe in a God so big so strong that the right things will all fall into place. Pamela's world..

I know that I believe really really truly believe that legal system would know what they're doing be honest. Be fair. look into the heart and soul of the person in front of you and try to remind yourself that We SHOULDN'T throw people away ... IF the Army and the Navy could break through a teenagers with a bad attitude & hormones why we can't Society teach rebuild stronger men and women. Instead of caging them up to learn more bad habits up with my 18 year old and grandchildren left behind for my son's passing. I am still available for work for Pamela's cleaning service a lot stronger than you think give me a call 760-885-2608

God bless, Little Sis Pamela

MW MINING & INSPECTIONS, INC. MW Mining & Inspections are NOT speculatively fishing around OLD mine piles. MW Mining & Inspections is in the business of harvesting "fallen gold" and other minerals directly from the old above ground mill & mine tailings waste-piles. While normal "mining" costs of the big mining operations cost about 80% of the income derived from an oz. of gold, MW Mining & Inspections is not a big-time mining effort but a "RECLAMATION" of pre-mined material; our costs are estimated to be between 10% and to a maximum 25% per oz of the income value produced, a very impressive Return-on-Investment. CONSIDER MAKING A 6 MONTH LOAN - BESIDES THE BENEFITS OF THE LOAN - WW WILL ISSUE AN ADDITIONAL AMOUNT OF SHARES - BETWEEN 20,000 AND 100,000 SHARES. THIS IS VERY REAL - AND WOULD BE A GREAT ADDITIONAL SOURCE OF INCOME. WE HAVE ALREADY PURCHASED MOST OF THE SMALL MINING EQUIPMENT AND ARE IN CONTROL 4 PROPERTIES WITH OVER 1.25 BILLION IN ABOVE GROUND ASSAYED ASSETS. FOR MORE DETAILS CONTACT BUCK HUNTER 208-615-6546 OR VISIT THE WEBSITE mwminingandinspections.com

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Trump is in Singapore meeting with Kim Jong Un! I have listened to the media, the politicians and everyone else who thinks they need to coach from the couch to inform Trump how to deal with a negotiation! Are you kidding me? Trump was born ready, and if not, he made sure he was ready right after mastering his first steps as a toddler!

All the "ASS CLOWNS" are flapping their gums trying to prove that they are still relevant, and are beating a broken drum! "THE ART OF THE DEAL", says it all. Trump is very effective because he knows how to be Trump. In business when I personally present an offer, I don't say another word! The rule of thumb at this point is "He who speaks first loses!". If the "Limp Wrist, Chicken Choking, Wiener Washers on the Left don't get it by now, they never will understand the results of the mid-term elections and the 2020 Presidential election. Trump is for the everyday working citizen in this country that the run of the mill politicians, steal from, swindle and mislead. The "ASS RAGS" in Washington, and if you want to Nit Pick, California "CHICKEN CHOKERS", are pushing to ruin everything they can that Trump stands for. These "BASTARDS" that you think walk on water are protecting illegal aliens over American Citizens. These "DICK WHISTLES" are going to turn the rest of the state into the "TOILET" that Gavin Newsom made out of San Fransico. The stench on the streets there makes you want to "HURL"! I hope that the Californians realize that we are in a free fall from which there will be no salvation. I heard some dumb ass "C" WORD, refer to Newsom as "Governor Mc Dreamy"! Really? Are you kidding me? You are going to vote for him because he made your privates sweat? If this offends you I suggest you look in the mirror, then you can see what offends me!!!
