Do you think Strzok is going to give up the goods? He said he is not going to plead the 5th!

Everything we have worked for is on the line! Maybe if we talk to Hillary and Obama, we can see about Strzok's them writing up Strzok's suicide note!

Ask not for whom the bell tolls!

Pamela's World! Hello my friends,

I have a few friends who are interested in Astronomy, 1 day I overheard my friend Mike talking to his grandson about the planets & about this & that. Then it was his turn to ask the Why is ? Or the how come this or that ? (thank you Mike for not saying the moon is made of cheese) Mike said to him " Well God had a big part in all this & you should get to know him & have a relationship with Jesus, what do you think ? Well Grandpa, you do remember I'm only 7 years old.& I haven't met either of them, I know they are Magical! Pops said "What do you mean, he jumped up & went to the window & pointed at the garden & said You see all those plants, it started from 1 seed, I know I seen it with my own eyes & if you say that I came out of Mommy's tummy, than I must of been a seed also, Yep he is MAGICAL ! THAT LITTLE BOY HAS BIG DREAMS, so let's do our part to keep them safe. Keep this in mind We have not inherited our lands from our Fathers ..We are BORROWING it from our Children !!!

God bless, Little Sis Pamela

MW MINING & INSPECTIONS, INC. MW Mining & Inspections are NOT speculatively fishing around OLD mine piles. MW Mining & Inspections is in the business of harvesting "fallen gold" and other minerals directly from the old above ground mill & mine tailings waste-piles. While normal "mining" costs of the big mining operations cost about 80% of the income derived from an oz. of gold, MW Mining & Inspections is not a big-time mining effort but a "RECLAMATION" of pre-mined material; our costs are estimated to be between 10% and to a maximum 25% per oz of the income value produced, a very impressive Return-on-Investment. CONSIDER MAKING A 6 MONTH LOAN - BESIDES THE BENEFITS OF THE LOAN - WW WILL ISSUE AN ADDITIONAL AMOUNT OF SHARES - BETWEEN 20,000 AND 100,000 SHARES. THIS IS VERY REAL - AND WOULD BE A GREAT ADDITIONAL SOURCE OF INCOME. WE HAVE ALREADY PURCHASED MOST OF THE SMALL MINING EQUIPMENT AND ARE IN CONTROL 4 PROPERTIES WITH OVER 1.25 BILLION IN ABOVE GROUND ASSAYED ASSETS. FOR MORE DETAILS CONTACT BUCK HUNTER 208-615-6546 OR VISIT THE WEBSITE mwminingandinspections.com

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

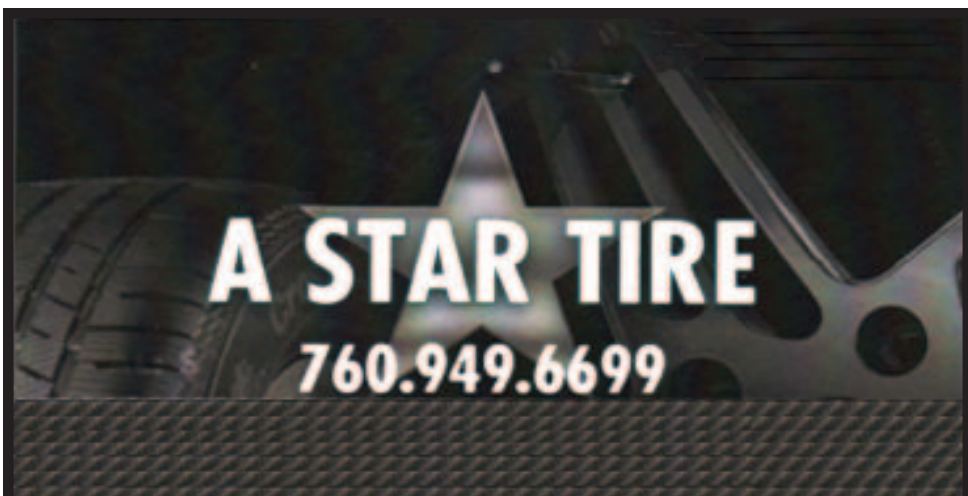

Well cry me a river!!! The Left is pushing for a really physical altercation in the near future. The CRY IN YOUR BEER CROWD is so torn up about illegal children being separated from their parents. Unless you are going to run a DNA test, don't fall for all the crap!! Do you really think that babies who are breast feeding are being swept away from their mothers? Have you not figured out now that the only platform the Left has is to impeach Trump! Do they shed a tear at night for all the orphans that are left in the U.S. after their parents are killed in war zones in the middle east? Do they care about the broken hearted parents who's children have been murdered by illegal aliens? Do you think the really give a "FLYING RATS ASS" about you and your family's safety? No, the only thing they care about is to continue with the destruction of America. If Hillary had one, all of this would still be hidden from us. I recently blocked an individual this week from my facebook page. When you think you know someone and then they show you who they are out of no where. This woman, is totally on board with the Left, Hillary, Comey, Mueller and believe it or not, ANTIFA! This is by her own admission. I should publish her name (Carmen) but I won't! We have a group of people that are citizens and are as dangerous as any terrorist group in the middle-east! These bastards will look you in the eye and profess their loyalty to everything except our country. If you don't take a stand this November, all that is riding on the line can be lost. In California, if Gavin Newsom is elected you might as well flush all your earnings down the toilet. This bastard is in love with the illegal aliens and plans to have you support them. He doesn't care if the rape or murder you or your family. All he cares about is the chance at his name in the history books. If given my way, his name would be traitor!
