Did you hear the latest rumorm?
 Crooked Hillary is going to run again in 2020 against Donald Trump! Isn't that Exciting?

I don't think that is going to be exactly what happens in 2020! With any luck Hillary, Comey, Mueller, Strzok, Page will all be doing time! LOL!!!!

The Left can't get any crazier! Or can they? Yes they can!

Pamela's World! Hello my friends,

Hello my friends! I can't believe it's already JULY ! hope every one had a safe 4th & your pets are doing ok in this heat, PLEASE be mind full to their needs. Lots of water, shade. when taking your dogs for a walk early morning & Eve. would your walk bare footed on hot ground outside ?People move to the High Desert from many different places for many different reasons. Some come to escape the "rat race" of the big city. A better way of life, a better place to raise a family. People can get more bang for their buck also. The dry desert air helps some folks with respiratory conditions. There are lots of things going on in this desert. Get involved, make a difference! There is volunteer work to be done in many places . Your local animal shelter is ALWAYS in need of help. Parks and recreation can use help also. First aid and CPR classes are available for those 12 years and up. We need to see as many people as possible, as well as young adults, teens etc. learning these things! These days families have young adults, teens looking after younger siblings, so it's Vital that we are all trained! It could be the difference between life and death! School is out again also. Please check out Parks and Recreation for swim lessons. Town of Apple Valley 14955 Dale Evans Parkway Apple Valley California 92307. My Wish for You, I hope you take the time to close your eyes and just try to See beyond what you think you see.

p.s. Martha Stewart of Lucerne Valley, I will always remember how I met you & your family. your Awesome !! please reach out & call me again thanks

God bless, Little Sis Pamela

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Sometimes I wonder how in the world we ever let our country become so divided? The days of live and let live have passed. We used to engage in logical debate. Now, we just look at our smart phones and wonder why we missed a Tweet from whom ever the hell we are following! The saddest part is the delusional behavior that has taken over and, for the LEFT, seems to be the new normal. Trump has been given nothing but grief from the Left. The corruption that is in charge of investigating him is absurd. Why in the world would you allow individuals that are breaking the law hold investigations, ruin the lives of individuals that have served the nation for decades? The answer is easy. The DEEP STATE is still in control of our lives. The DEEP STATE is still in control of our government. The DEEP STATE is still strutting like Sharon Stone, thinking that the people will just roll over like they have been trained and let them take down the one man who is standing in their way. That man is Donald J. Trump. IF you haven't checked lately he is still on track to save our economy, jobs and our nation. That is the biggest thing that the DEEP STATE hates. Trump had and has the audacity to give control back to the people. Trump has the power to end the corruption that made people like Nancy Pelosi, Maxine Waters and other bottom feeding toilet rejects becoming richer and more powerful than ever! Maxine Waters is a flipping moron. How hard up were the voters in her district to elect her. In all the years that she has been in office, nothing in their lives improved! She is like every other individual that has hidden behind the RACE CARD and screwed over her own constituents. The DEEP STATE will stop and nothing to destroy anyone who stands in their way. The DEEP STATE tells Trump there is a storm coming. Trump smiles and whispers, "I am the storm!"
