From the Editor
"Side Note!

Instead of running for office and making a complete fool of yourself on national TV, I have a suggestion for you!!! I think it is a winner. People will look up to you! People will smile and nod with approval! You will be a sensation and make everyone enjoy seeing you!! I will be the first to contribute to the cause! You need a strip-pole! Lessons on how to move with the music! You don't need to worry about sounding stupid because no one will care as they are staring at your skinny chicken legs and having another round of beers! If you would like me to consider being your business manager I'm sure I can get you some booking at local strip clubs in just about any state in the union!!! You are welcome! For those of you who are offended by what I offer to Cortez, shame on you!! I just want her to have the same stellar career that your hero Stormy Daniels enjoys!! Maybe she too will claim to have a close connection to a president, a king or drunk biker!

Pamela's World! Hello my friends,

Well it's been a rough week some of you that follow my stories know about, my son's accident last year. Another Son who took his own life, for reasons unknown to us "WHY ?" & a customer with dementia so on and so on. My sobriety has been tested, but I win everyday I put one foot in front of the other & try to stay in the moment which is hard most if the time. I know a lot of you have shared your stories with me. I didn't realize how strong I am until, I'm am absolutely pushed to the edge of the cliff, I have to 2 choices I either jump in the bottle or I can turn around & fight ? Well today I'm a fighter, my faith in higher power I choose to call God. It is my birth right to live ! If you are feeling, Hope_less & Power_less about what ever your going through, Your not alone. Drop the last 4 letters of hopeless & powerless & than I'm blessed with Hope & Faith.

I can call a friend. Seek help.grab a pen & paper & start writing my thoughts I have going on in my head, " that's scary " this is the time I Pray.& Prayer is a good thing , But then I also take the time to listen. The answer will come to the questions you may have. I wish you well on you journey, until next week.

LOL! , Little Sis Pamela

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Well another month is gone and the temperatures are still rising! Not only Mother Nature, but in Washington, D.C..

It doesn't seem to matter to the left or the deep state "Never Trumper's" how good a job our President is doing.

To start with, if he had called out Putin on world television, we would probably be in World War III. Then the left and the "Never Trumper's" would be screaming about the maniac in the White House looking to take us into war! It would be really great if everyone would hold on to their pearl necklaces for a minute and think things through. We have a little moron socialist that is running around with Uncle Bernie as of late. Don't want to sound crass, but, "Really Bernie?". This kid is probably the age of your great grand daughters. IF Trump were grabbing all over some little peach, you would hear the uproar for miles! The new girl on the block inspired me to start a new little addition to the paper. It is, "From the Editor" "Side Notes!"

There are so many things that are happening around the nation and the world as of late that I really have to scramble to pick a single topic. This way I have the option of writing "Side Notes!" ahead of time and work on the "Unspoken Thoughts" on Monday's as I always do. I think I would love to have a front row seat when the Mid Term Elections come about. I am sure it will be giving "Shark Week" a run for its money. Also, on Friday, Trevor's Happy Hour has arranged a second debate for me with the Rev. Bud Green! During the last debate I questioned his authenticity of being ordained and also told him that the next time we cross swords I too would be ordained and will be referred to as REVERAND! That is a done deal! I really marvel how Rev. Green would want to debate me again, after I handed him his head, ass, and other body parts in a to go bag! Some peoples children!

Have fun and listen in on Friday at 8:00PM
