From the Editor "Side Note!"

As the San Bernardino County Fire Department endeavors to secure its annual finances, the San Bernardino County Board of Supervisors voted at its June 12 meeting on a proposal to fund services by broadening an annual parcel tax to include property owners in all unincorporated communities without going on the ballot.

Fire Chief Mark Hartwig

**Just another hustle by the corrupt Board of Supervisors
We only have till September 16th to address this theft!
October 16th they will screw us out of our money!!**

October 12, 2012 The state was going to send out 62,000 bills to home owners demanding \$150.00 Fire Protection "FEE". The San Bernardino County Board of Supervisors aggressively opposed the State's imposition of this "FEE", which the County's opinion is not a "FEE" but a legally questionable tax that will provide no additional benefit to those who pay it.

"This so called "FEE" is nothing but a gimmick to take care of shortages in the State's budget. The Board of Supervisors stated "This is the most blatant and clear theft from the tax payers in San Bernardino County"!

Now the powers that be are doing the same thing that they said was theft by the State. At the meeting in Lucerne Valley on Thursday August 16n 2018. They had us write our questions on piece of paper that they would answer. My question was inquiring about how is it different now that the county is imposing the same fee without concerne for the impact on the citizens of the Valley. My question was never addressed in regards to this question! Why is it okay now when you accused the State of attempting to steal money from the taxpayers? Let them no this won't fly! Get the word out, it is all unincorporated parcels in the county!!!

In 1973, The City of Orange was looking for ways to celebrate its one hundredth year. Inspired by the Street Fair of 1910, it was decided that for their centennial celebration, Orange would have the Orange International Street Fair (OISF). The Fair was so successful that it has become an annual tradition during Labor Day weekend. The Fair is located near Plaza Park in the historic downtown district. Pamela's World! Hello my friends,
 Honey Where are my boots? I replied,
 They're in the oven! I noticed that they
 were wet from the rain. So I walked
 over opened the oven door, reached in
 and pulled them out. They were still
 wet. Wow I was surprised.. My husband
 said why would you put them in there?
 Because my mom always did.
 1st I saw her put them next to the
 stove. when we moved we had no wood
 stove or fireplace. My husband gave me
 that look, you know the. One the look
 that says you're loony tunes! calmly he
 says that's Ann electric oven! What's
 your point I replied, your mom had a gas
 stove with a pilot burning.
 Oh I get it! We all come from different
 up bringing and different ways. Of
 thinking, maybe you squeeze the
 toothpaste in the middle cause you like
 to get yelled at. try to keep an
 opened mind to new and different ideas!
 Till next time take care of one another

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

*This week I am personally getting on board with the fight to keep
the San Bernardino County Board of Supervisors from stealing
more of our hard earned dollars. These bastards are pulling a
stunt that they condemn the State for trying to do to us in
2012 they accused the state of trying to steal taxpayer money!
Now they think it is a great way of increase income!!!*

Get the word out to everyone who owns vacant or occupied parcels in
the unincorporated area of San Bernardino County. They are getting
ready to screw us. They are going to put a \$157.00 charge per parcel
to add to the coffers for fire district. Here is their official information
from their site. Posted: Thursday, June 28, 2018 1:59 pm

As the San Bernardino County Fire Department endeavors to secure its
annual finances, the San Bernardino County Board of Supervisors voted
at its June 12 meeting on a proposal to fund services by broadening an
annual parcel tax to include property owners in all unincorporated
communities. Property owners included in the expanded service zone
will have an annual parcel tax of \$157.26, which can be increased by up
to 3 percent each year. The proposal was presented by
Mark A. Hartwig, fire chief/fire warden, according to the supervisors'
agenda. The purpose of the zone expansion is to fill a current
\$29 million funding gap for County Fire. The expansion is expected to
generate \$27 million more in revenue each year. Notices will be sent to
affected parties in August, and the first of two public hearings will be
held later in the same month. The board also voted unanimously to
pursue preliminary steps of proposing an election on a special tax for
fire services. If the special tax is protested, it can be killed by more than
50 percent of affected landowners. Alternatively, if at least 25 percent
protest, the issue will be sent to voters on a ballot.

This is without going on the ballot for vote unless we can get 25% of
property in the unincorporated county to object. That will force it to be
on the ballot. If 50% reject it, then it is a dead issue. It will not increase
services or benefits. It will only keep service in the same crap condition
that currently exists. we only have till October 16, 2018. They won't
send out the notices to land owners till September 16th. That is 4 weeks
to get it mailed, read and returned. Just another corruption issue with
San Bernardino Board of Supervisors. Just as bad as Sacramento.
We need your help to get the word out. Thank you,
