**Pamela's World!** Hello my friends,  
I would like to say thank you ! I have received many positive responses about my article. I have asked for your help and to see if you have any extra clothes or winter items that you are not using any longer. Coats, blankets, gloves, socks and even long johns of any size. I have been asked, where does it go and who receives it? Well, The Nickel Shopper and I want to make a difference in peoples lives that are having hard times and down on their luck! There are individuals out there that need assistance from time to time, some are too proud to ask for help. All of the items that are donated stay in the Victor Valley area. We feel that it is important to help our neighbors.

I like to make a difference in other peoples lives. I like to look some one in the eyes and say here is a gift for you, I hope that this will make your nights warmer.

We need to remember that this is the time of year to give. I try to do that 365 days a year!

**Till Next Time!  
Little Sis Pamela**

WOW! The Golden Globe awards was really quite the spectacular! Did you hear all the truth and honesty?

Yeah, the largest group of perverts and degenerates telling the public that they are the moral compass of the nation! What a joke!

Have to love the double standard of Hollywood!

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

This past weekend was the Golden Globe Awards! Everyone dressed in black! Solidarity my ass! The biggest moment that the perverted, degenerate left is highlighting is when OCRA WINFREY had everyone on the edge of their seats with the line of SHEEPDEEP that rolled across those vile lips. This woman is one of the biggest racists in the nation. I rank her right up there with The Alt-Right and the Klu-Klux-Klan! Bigots are bigots, racist are racist. The double standard of the Hollywood Left is so in your face that it hurts. These perverts are now screaming about how Winestein and others have abused women. Everyone of these perverts has always know. Hollywood is nothing but a degenerate gang bang. They also think that they can BULLSHIIIIIIIT the nation into voting OCRA President! The people that are selling out the future of our children are now the moral compass for the nation and the world. What about the case against Roman Polanski? You know the pervert who raped a 13 year old girl! He split the country back to France so as not to serve time! And the Left, Bottom Feeding, Chicken Chokers in Hollywood gave him a standing ovation. Really? Seriously? Now these same people want OCRA for President? The woman who started a girls school in Africa and had a pedophile who was attacking and molesting the girls! Are you kidding me? You would think that OCRA could afford to have all the employees screened? My question is, "Why not build a school to help children here in our country?" Why do all the dumb ass left applaud the Hollywood Dick Weeds for pumping tons of money into foreign countries, to hell with the needy in America. Notice also, these bastards are so well off, they could pay \$25.00 per gallon for gasoline. They have to touch with reality! They can buy anything and everything they desire. Then they don't care that the working man is scrapping a living.
