Pamela's World! Hello my friends,

We have had some crazy weather lately. There are 3 Dams in the high desert. It's too damn COLD, to Damn HOT or to DAMN WINDY, You've heard many of my sayings, Not every thing you face can be CHANGED...But nothing can be changed until it's FACED....How about this one When you change the way you look at thing/people. .the Way you look at things will change !Others can try & stop you Temporarily. But only you can stop your self Permanently . & another one is...IF YOUR GOING TO PRAY WHY WORRY...& IF Your going to worry why pray ? Have your faith so strong, that any thing you are going through will be over . Keep an open mind!

**Until Next Week!
Little Sis Pamela**

The Left is really trying to intimidate anyone who thinks differently than themselves!

That is the funniest thing I have heard in a long time! When you let "IDIOTS" have a voice the "WHITE NOISE" is unbearable!

When will the "Snowflakes Learn?" "Here is your 30 Seconds!"

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Dear Editor, I pick up the Nickel Shopper frequently for the recycle coupon. I read your piece for the first time this week. I find it so refreshing and at the same time I am sad. If the Nickel Shopper were not a free paper sadly your bold truths would not be published. I am thankful for your bold writing and am going to send your thoughts out to all my friends and family. Thank you for the truth and I pray you keep up the hard work. Sincerely, M.Lewis
I received this email just a few hours after a local snowflake decided to make my life miserable. This ridiculous "Left Leaning Snowflake" thought that I would be intimidated with her threats to contact all my advertisers and inform them that I was causing them to lose thousands of customers because of my editorial. Well, that did not happen. I lost one advertiser that she personally does business with. That is okay! I guess she has him over a barrel.

Here is what she had to say to me.

You wanted to hear my thoughts? Here they are. If you want to have a successful business, don't alienate your customers. Your opinion about Trump and the Left will ensure that I will not patronize any of the businesses that advertise in your publication. I'll be taking my time to contact each and every one of your advertisers to let them know this. You can multiply my thoughts by thousands.

You are entitled to your opinions and you can be as divisive as your boy Trump, but expect the consequences.

Also, lay off the exclamation points.

It only works for your fuhrer. M. W.

This is what happens when you give "IDIOTS A VOICE"! It is like the "WHITE NOISE" on your TV. Any more problems with this "MORON" and I will be glad to publish her name and email address. The corruption that is still trying to control the nation is the Left trying to keep the illusion alive that Hillary should be President!
