## From the Editor "Side Note!"

Hello, let's hear it for the Irish! Éirinn go Brách! Which means Ireland for ever! The Irish are the only people who on St. Patrick's Day invite the entire world to become Irish for a day!

The Irish are a strong people and also have great pride in who they are. At one point in time the Irish who came to the U.S. were here as indentured servants. That is just a fancy way of saying they were here as slaves. If you research the subject you will get mixed messages about this issue. The Irish are the only ones who seem to take it all in stride and not let it get the better of them. The Irish don't raise whimps! Notice they don't look for a free hand out for wrongs that were done long ago by people who are not here today to pay for the injustice.

Now, the really great news is that The Nickel Shopper turns 39 years old this week. This is the first issue of volume 39. We have never missed a deadline in 39 years of which I personally am responsible for the last 21 years. I would like to thank all the readers and advertisers for making this possible. Without either the paper would have gone the way of the Penny Saver and the Green Sheet! A bit of history is when I first purchased the paper Penny Saver said they would put me out of business in 90 days. The Green Sheet said I would be history in 6 months. Well, that did not happen. Our goal is to continue our mission for another 39 years! I at that point don't think I will see that issue, that would place me at 113 years old!

In the ever changing world, there is always a certain peace that comes when we can see landmarks, publications and traditions that seem to stand the element of time.

Our country needs to pull together as one nation and stop allowing individuals who are out to destroy us from their mission. We have individuals that now have infiltrated our government that only owe allegiance to the Quran and not our nation. Think about it!

Mueller is dirtier than any of the people that he has investigated. He has his nerve to be the one investigating Trump, Trump did not hire him to run the FBI!

Yes, but the left really could care less about Mueller and his crimes! They are too busy giving standing ovations to the corruption that has made it legal to kill babies!

Only the left can applaud the killing of babies!

**FROM THE PEOPLE**

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD 'ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FOR INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

"UNSPOKEN THOUGHTS"**

Well we have let it get to the point the lunatics are running the asylum! When you have far left like Pelosi and Schummer being attacked for being to conservative by the new Freshman congress it is really getting to be scary. Occasional Cortex is out of control with her new power and she is wheeling it around like a drunk sailor with a new bottle! We have allowed 3 Muslim women to be voted to the U.S. House and they are out for revenge. They have no loyalty to our nation. They have been here for many years, the ideal mole. They are now at a point where they are calling the shots and the elected officials are afraid to call them out. Here is a simple break down that even a retarded politician and his or her followers can understand. When a Muslim takes an oath of allegiance on the Quran, it is a farce! His or her oath is strictly to uphold and enforce the teachings that are in their book. When they swore to protect the U.S. from enemies foreign and domestic, it meant nothing. They only account to Allah. They will lie, cheat and steal to accomplish their goal. Their goal is to see the United States and Israel destroyed. They are not looking after anything other than their personal agenda. I know that there are those of you who at this point say I'm a bigot or racist. This has nothing to do with anything other than survival. Soon as the have the chance, you will see their truer colors if you haven't seen them yet. I have a great concern when you have politicians that are as criminal as they can be and yet they are scared to death of provoking the new crowd. All of this has been foretold in many cultures. It is now a battle of GOOD VS. EVIL. The world is now spiraling out of control on many levels. We have O.A.C. calling out Ronald Reagan for being a racist! Are you kidding me this little demented sack of RAT EXCREMENT is rubbing your nose in BAT GUANO and you are acting like it is okay. She needs to be pulled from office now. If she is really that stupid, can you imagine how stupid the 16,000 voters are that elected her. They had one goal!  
Gonna Get Lots Of Free Crap At Your Expense!
