From the Editor "Side Note!"

WOW! Creepy Porn Lawyer was arrested for trying to swindle Nike out of \$20,000,000.00 this week. He is a joke! He has played fast and dirty with not only his clients but also his former business partners. The FBI has stepped in and the issue is under investigation. He is also behind on his taxes in 2011, 2012, 2013. Now keep in mind that for a very short time he was being eyed by the Democrat Party as a person who could possibly run against President Donald Trump and defeat him. Now lets look at this a bit closer. The Left have done everything that they can to destroy honest hard working people. They don't care who is punished for doing nothing illegal. The Left have covered up crimes that were committed by Clinton, Comey, McCabe, Brennon, Clapper, Lynch and Obama. Trump should have never won. The fix was in and Hillary had been promised that she was finally going to make history being the first woman president. As things move forward the Trump team proved that they were quick learners and moving forward in leaps and bounds. When Clinton realized that Trump's momentum was increasing and closing the gap. Now if she can get the Obama machine moving forward at high speed they would be able to destroy Trump long before the people go to the poles. Clinton was arrogant about her position. She knew that the fix and bribes were in and that even Bernie Sanders was going to indorse her to be our next President. The more that they threw at Trump the more he dug in his heels and pushed back. After the election result Clinton and gang had their last plan of action. They would make sure that Trump was labeled Putin's puppet. They went after anyone who had any contact with Trump in the last two years. None of the people charged had anything to do with the Russians. They had broken laws in other issues. Mueller was their last Ace In The Hole and when he came up empty the only thing that he could do was to say that there was no collusion, but that did not exonerate President Trump in any way. Now with little bottom feeders like Senator Jerry Nadler, I think he suffers from little man syndrome, is still screaming that he has evidence that Trump Colluded with Russians. He is just another target for trying to overthrow the elected President. I call that treason.

Epic! Radio

Mueller finished his investigation of Trump and his family and the campaign and found no Russian collusion. The only collusion was the Dem's and Hillary.

It doesn't matter. Jerry Nadler and the rest of the Trump haters are coming up with plan II. They will overthrow the Trump and put him in prison.

The Dem's are betraying the country. Jail em!

FROM THE PEOPLE

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FO INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

This is a very hard time for the nation. We are being sold out by our own elected representatives. These little maggots think that they are the end all and do all of the ages! When you have honest citizens being attacked for their stand against illegal entry into our country we need to revisit what being American means! The new Left is really pushing Socialism. They have the nerve to ignore the history of Socialism over the last 150 years. These positions of everyone gets lots of neat stuff for free is ridiculous. There is not free lunch, but once in a while some one will buy you lunch. They thought of "FREE COLLEGE" will never work. All the professors and instructors are not going to be there for free. They want a paycheck for the crap that they claim will benefit our youth.

Really when you think about it, it makes no sense. The morons who are pushing for everything to be free are still wanting full pay for their work. Free Medical! This is another issue that will not fly! Doctors, nurses, hospitals will not exist if they are not getting paid for service. Same with medicine. The drug store wants to get paid for their part.

So as it goes on and on, you get morons like

ALEXANDRIA OCCASIONAL CORTEX

who is wanting to do away with farting cows. She also wants the airplanes to disappear. Now, this stupid little troll loves to take the plane to get to places quickly and in comfort. She also complained that the wages for congressmen needs to be increased. Can you believe this little dumb ass bar fly is ready to dictate how you are going to live your lives? She along with the other new scum slurpers are strutting their stuff like they are Sharon Stone with a new boob job! No insult meant to Sharon Stone, she gets a lot of jabs that probably are not deserved. We have entitled idiots that don't realize that they are all one term wonders! They will be gone in the blink of an eye. We need to put the congress and senate on notice that anymore of their crap will get them arrested and charged with treason and high crimes against the citizens of the United States of America. Personally I think they deserve the death penalty.
