From the Editor "Side Note!"

WOW! Creepy Porn Lawyer was arrested for trying to swindle Nike out of \$20,000,000.00 this week. He is a joke! He has played fast and dirty with not only his clients but also his former business partners. The FBI has stepped in and the issue is under investigation. He is also behind on his taxes in 2011, 2012, 2013. Now keep in mind that for a very short time he was being eyed by the Democrat Party as a person who could possibly run against President Donald Trump and defeat him. Now lets look at this a bit closer. The Left have done everything that they can to destroy honest hard working people. They don't care who is punished for doing nothing illegal. The Left have covered up crimes that were committed by Clinton, Comey, McCabe, Brennan, Clapper, Lynch and Obama. Trump should have never won. The fix was in and Hillary had been promised that she was finally going to make history being the first woman president. As things move forward the Trump team proved that they were quick learners and moving forward in leaps and bounds. When Clinton realized that Trump's momentum was increasing and closing the gap. Now if she can get the Obama machine moving forward at high speed they would be able to destroy Trump long before the people go to the poles. Clinton was arrogant about her position. She knew that the fix and bribes were in and that even Bernie Sanders was going to indorse her to be our next President. The more that they threw at Trump the more he dug in his heels and pushed back. After the election result Clinton and gang had their last plan of action. They would make sure that Trump was labeled Putin's puppet. They went after anyone who had any contact with Trump in the last two years. None of the people charged had anything to do with the Russians. They had broken laws in other issues. Mueller was their last Ace In The Hole and when he came up empty the only thing that he could do was to say that there was no collusion, but that did not exonerate President Trump in any way. Now with little bottom feeders like Senator Jerry Nadler, I think he suffers from little man syndrome, is still screaming that he has evidence that Trump Colluded with Russians. He is just another target for trying to overthrow the elected President. I call that treason.

Mueller finished his investigation of Trump and his family and the campaign and found no Russian collusion. The only collusion was the Dem's and Hillary.

It doesn't matter. Jerry Nadler and the rest of the Trump haters are coming up with plan II. They will overthrow the Trump and put him in prison.

The Dem's are betraying the country. Jail em!

FROM THE PEOPLE

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FO INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Hello everyone! Another week has passed and as usual the Left is still twisting their panties over their boy Mueller and his stacked deck against the President didn't produce the results that \$25,000,000.00 should have brought. You know with that much of a budget to work with, there had to be at least one person they could hire to produce a believable story against Donald Trump and or one of his family members. Mueller did not give as clean a report as I, and many other, think he should have. He did however make the case that Donald Trump and his Campaign did no collude with Russians. Now if you really want to get honest, down and dirty, let's take a look at the following bottom feeding scum that has been stealing us blind for many year, or decades. Barack Obama, tops the list. This man is dirty and a traitor to our nation. He thought that after Hillary Clinton got elected that he would be able to smooze the rest of the world into making him, KING OF THE WORLD! If you can't see that you are really a retard and I hope that you didn't reproduce and pass the stupid gene on to a new generation. Next, Hillary Clinton! Yes, Crooked Hillary, colluded with Russians and Putin. We got screwed on the uranium deal where Russia now owns 20% of our uranium. Clapper, dirty traitor, Brennon a registered Communist also put in charge of the C.I.A. under the corrupt agenda of Obama. Then we get down to the congress and the senate. There is dirt and corruption on both sides of the isle! Why do you think they never wanted an outsider elected to any office much less the President! Any individual that was not part of the party going on behind the scenes in Washington's corrupt brother and sister hood would have had the same attacks against them. Mother Teresa would have been attacked in the same manner if she had been interested in running for President, if she were still alive. They would have gone after her for her religious beliefs. They would have attacked her for believing in God. The Muslims in office would have accused her of being islamophobic. The left would have done any thing to destroy her. Only a champion could win! We have that champion, Donald Trump!
