From the Editor "Side Note!"

Gavin Newsom is working hard at making sure that illegal's have great housing and healthcare! What a humanitarian!! This man along with Pelosi, Feinstein, Shiff, Swalwell are sure that you the taxpayer can work harder and longer to make sure that Pelosi's "NEW COMERS" are well taken care of. These poor individuals mean you no harm. They only murder one or two of us who get in the way every month or two. I mean, after all, they are the new base of the Democrat Party. These people have escaped the corruption and criminal activity that they had in their country! The only problem is, they have brought that CORRUPTION AND CRIMINAL ACTIVITY with them to unleash it on our citizens. The politicians are not concerned with the danger we are being placed in because it is just a lie that is being pushed by Trump as a false emergency of invasion at our Southern Border. The Left doesn't care if you die. They only care that you do so quietly and that your family doesn't make a mountain out of a mole hill with your demise. After all, you have lived long enough and really need to step aside one way or another to let the "NEW COMERS" fill that void. Your family really doesn't need to worry about how to make ends meet without you. Your family was always inconvenient and in their way. Now, there is a place that is made available for the NEW COMERS to occupy rent free. With all the FREE things that the Democrats will give them, including the right to vote, they are sure the NEW COMERS will vote Democrat. They will fight Trump tooth and nail to make sure that the border is left open and made easier for NEW COMERS to cross over. After all, to not open up your heart and your home, you are a racist or bigot! You need to get accustomed to the new normal that Obama was pushing. After all, Americans have had it too good for too long. If you think that you don't want to get on board with the new agenda, you will be harassed and hounded until you break. You will be putting your family in serious trouble by not going with the flow. After all, look what they did to General Mike Flynn. They even told him that if he did not buckle, his son was thier next target. WOW! Thanks Obama!

I really don't want to show my taxes to any of the people that I represent, I mean dictate to! If that information were to become public I would be put in prison!

FROM THE PEOPLE

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD 'ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FOR INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Just keeps getting better and better! The Ukrainian Prosecutes have information about the Democrats and thier underhanded plot to take President Trump down and make him look like he was a traitor against our nation. Now the issue! Our D.O.J. told them they are not interested in anything that would put people on the left in jeopardy! The left, starting with Obama, has tried to discredit our President at every turn. Clinton's election was pretty much a shoe in. The bribes were paid and the fix was in. Bernie Sanders never had a chance, he was the token idiot that would make it look like it was a legitimate process. With all the scandals and Trump fighting back it messed things up royally. The problem is not only on the left, but on the right! The never Trumpers on the right are just as dirty and need to be investigated for criminal activity and corrupt dealings at our expense. The thought that they need to see Trump's tax returns is a joke. A man who was already a millionaire or billionaire became a politicians. I want to see the tax returns of everyone in the congress and senate. I want to see how many politicians have become millionaires at our expense. We are slowly being torn apart by the evil in the world. The leaders of Germany, England and other socialist crap countries were in on the attack against our President. These bastards are not interested in your or my well being. They only want to keep the conversation open about how much better it would be if we allow them to take Trump out! They are on board with Obama, Clinton, both the Bush's and other traitors in our government. We were an experiment that went right, making us the strongest nation in the world. Now, the evil wants to take us down off the pedestal and make us pay our fair share of making everyone else on the planet comfortable. We need to start taking back our government. We need to make sure that Trump and his warriors stay in power and take back the House and keep the Senate in 2020. If President Trump fails, we are doomed. This man is not perfect, but he does love his country. To the disbelievers, you really need to get your heads out of your asses and clear your vision.
