### "Side Note!"

Well it's that time again. Lots has happened since last week. I hope that everyone had a safe and blessed Easter. Easter is a time when the Christians all over the world rejoice at the fact that Jesus came to walk, live and die among us and for us. With his love we can have eternal life in the ever after. I know that it is a different topic from my usual writings. What brings this to mind today is in Sri Lanka there were several attacks against Christians that were in church celebrating Jesus and his love for us. There were several Muslim terrorist that attacked wearing explosives. Many hundreds were killed and wounded. The point that I am up in arms about is the fact that the liberal media said that there were Easter celebrators that were attacked. They did not refer to these individuals as Christians. It seems that if you are a Christian you are a target. If you are a Christian conservative, you are a target. If you believe in our President you are a target. No matter what our President does the evil left is always on the path of spewing evil about a man that only wants to see his country and people live the lives that they deserve. We give illegal aliens aka wet backs all the trimings, bells and whistles. We have American citizens and American children that still go to bed hungry at night. We still, with the economy improving, have people that are struggling with keeping a roof over their heads. We have come a long way since the corrupt Obama (aka Kenyan Skid Mark) administration. Obama is still going around the world apologizing for America. Are you kidding me? This son of a third world piece of crap needs to have a brick put up side his head. He is no longer our spokes person. He had his chance with his bullshit about hope and change. And, yes, you read right. I am tired of pussy footing around with all the left leaning socialists that look down their noses at the hard working citizens and try to lay a guilt trip on you because you work hard to support you family, but don't want to work harder to pay the way for some gang banging third world mongrel. The left in Washington and the morons in Hollywood think that they know better than you on what to do with your money! Have you noticed, they never talk about spending theirs.

**FROM THE PEOPLE**

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD 'ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FOR INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

As I was listening to talk radio while heading to my meeting with my staff, I had a thought come to me that might surprise some of you and other may already drawn this conclusion. Rosenstein was accused of saying he would wear a wire and get information from our President while secretly recording him. Now, we all know that this news came out and shortly after Rosenstein and the President had a one on one. Then a bit later it was announced that Rosenstein was going to be leaving the D.O.J. in February. That did not happen either. Now, if you noticed that when Rosenstein appears on TV with individuals such as the new Attorney General Barr, he is standing relaxed and confident. He is not looking like a man afraid for his job or freedom. It finally dawned on me what is going on behind the scenes. Rosenstein has worked a deal with the powers that be and will keep his job, retirement and his freedom. Mark my words, he worked a deal! Now that the Mueller investigation has closed, the D.O.J. with a new honest Attorney General is going to go after everyone that had a hand in the corrupt attacks against our country, lifestyle and our President. Obama, Holder, Lynch, Rice, Hillary and Bill Clinton, Clapper, Brennan, Comey, McCabe, Strzok, Page and I hope, many of the left such as Pelosi, Schiff, Feinstein, Swalwell, Nadler and the rest of the bottom feeders. I kept the name Cory Booker till last, his new warrior name is "FARTICUS"! Another ass clown from Commifornia is Camel Hairs Harris. I don't like this woman and if what I wrote offends you I really could care less! Here is a word of warning to the idiots that call and leave threats on my editors line. This line tracks all calls and captures the phone number of each call. So so ahead and strap on those pink fuzzy balls you bought at K-Mart and makes you feel like a man. Leave your message and threats. I will be glad to publish word for word you response and also your phone number. I am not afraid to own what I write. So, step right on up and enjoy the 15 minutes of fame that I am going to bless you with. Now, back to the topic. I think we will see that I hit the nail on the head with this one!
