" I urge all prospective clients to go to the internet and see the exciting, precise, safe, gentle chiropractic adjusting instrument by Sigma Instruments called the Pro-Adjuster. Patients can see in our monitor which vertebrae are out of alignment and later see the improvement made by the adjusting instrument. See TerraQuant Lasers for the many pain relieving uses of this pulsed laser which has no adverse side effects. I help most of the patients accepted for care. I get results!

About Dr. Burke:

- * Obtained his Bachelor's Degree from BYU and Master's Degree from the University of California Sacramento in Public Health and Safety Studies.
- * Served as an instructor at Cleveland Chiropractic College in L.A. where he graduated with honors in 1976.

Pamela's World!
Hello my friends,
Sorry for not updating my column this last week. I have had a lot on my plate to keep up with. Personal issues sometimes take much time and energy to deal with. If you keep at it and don't let yourself get distracted you can, more times then not, come out on top of almost any issue. I have to thank my mother for giving me the strength to take on any thing the world can throw at me. After all, I am my mother's daughter. This next two or three weeks everyone is planing either a vacation, a graduation or a special social occassio for someone special in their lives. So on that note, please be safe and tell the ones you love how much they mean to you. You never know when it will be the last memory that you carry with you so make it a great lasting memory. Don't forget the advice that most of our mothers bestowed upon us! Clean underwear and a good attitude will do more to open doors than not!
Now you can laugh!

The Nickel Shopper call me. 760.885.2608. Or My office # 760.503.1582
God bless & until next week,
Little Sis Pamela

"Side Note!"

I don't know how Lucerne Valley got so lucky as to have a first class Chiropractor open a new office in our small town! Dr. Burke is really a great guy and I personally have got to visit with him and learn more about treatment of ailments! I had my first adjustment made last Friday afternoon and wow, what a deal! First off the visit was an introductory offer of \$25.00. This was too good to pass up. After Dr. Burke appraised my condition using state of the art equipment he proceeded to inform me to what the machine had to say. On the computer screen you can see all the readings in real time. I watched the readings and slowly understood as Dr. Burke explained what he was seeing. Using the latest techniques with the state of the art equipment he proceeded to make the adjustments necessary to make the pain I have had for years to subside. After about 30 minutes the session was completed. At this point I was amazed that it seemed that I actually could really feel a difference. As I stood up the pain in my lower back had almost completely been relieved. I could also feel a new flexibility to my battle worn body. I have worked with horses for over 50 years, stunt double work in westerns for 25 years and not to mention PRCA. All these combined have taken toll on this body. It was around 2 hours later that I dropped my pen on the floor, not a happy thought. Usually it was such an effort to bend down and recover anything that I had dropped. I was amazed as I reached down and comfortably squatted and recovered the pen and to my surprise I did not need the aid of any one or the help of a chair to stand straight up. As I write this, it has been 3 days. I am still as flexible today as I was the day of the treatment. Not everyone will experience this mobility, but I think it is worthy a try! Call Dr. Burke today and say Carl sent you!

FROM THE PEOPLE

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD 'ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FOR INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Monday evening it was wonderful to see and hear our GREAT PRESIDENT DONALD J. TRUMP addressing the crowd in Pennsylvania. Pennsylvania is where Bite Me Biden is from. I have been watching this last week as Sleepy Creepy Jackass Joe was addressing the few people who have shown up to hear his ranting and raving. I do believe that Biden is showing early signs of dementia. Have you noticed that his mannerisms are not really clear and precise. When speaking he rambles and seems to loose track of what the topic was that he was trying to relay to the few people who ventured out to hear him. If it is anything like Hillary, I'm wondering if he actually had to sweeten the pot to get people to attend. You know, like Hillary had buses pick up people, have them register to vote Democrat and then whisk them off to a concert by one of the mediocre sacks of crap that back her up! It is sad to think that the best that the Dem's can muster up is a 78 year old sack of crap who's only claim to fame is he was second seat to Obama. Obama has not endorsed Biden. The story Biden put out is he asked Obama not to endorse him, but to endorse whom ever gets the DNC nomination. This is the about the stupidest story that anyone could manufacture. By the time the debates get here, the left will have some where between fifty and sixty socialist trying to get the big brass ring. In a way it is sad to see the idiotic behavior of our representatives. They have accomplished nothing in the last 3 years. Those of you on the left really need to rethink your position. I would be so embarrassed to tell anyone that I was going to vote the Democrat ticket! I predict that Trump will take another 4 years in the 2020 race. The left has nothing to put up against his wining and wining record!! Yeah Trump!
