Thesad thing for those of you who are reading this space is it could have been your ad!!!

The DNC debates were really interesting. I watched and watched and watched! There was never a magic moment that anyone really rocked the house!

Even the idiots on the left when interviewed on CNN could pick just one our of the herd that might have a chance debating President Trump on live television.

DNC still grasping at straws hoping for a hero to save thier cause!

From the Editor "Side Note!"

ERIC SWALWELL BE BOLD

"I will be bold without the bold" was the battle cry on the DNC stage from our California Fruit Fly Eric Swalwell! He knew that this was going to be the over the top, push it to the limits, jump into first place and leave all the other Dem's in the "DUST"! That WOW moment fizzled and left the crowd silent like the moment when everyone knows that you were the one that farted in church! He was looking for that MAGIC MOMENT when the crowd would burst into applause and rushed the stage to carry him around the room on their shoulders like "Ralphie" in "A Christmas Story!" All of a sudden with the room so quiet you could hear a pin drop you realized that good ole Eric just shot his eye out with that Red Ryder lever action carbine BB Gun! Since his mom wasn't there to aid him, poor little Eric was left alone to stand in front of the crowd and fight to hold back his tears. On Monday July 8th, Eric "Without the Bold" Swalwell announced that he was pulling out of the race to be the DNC nominee to run against our President Donald J. Trump in November 2020. Poor little guy needs to go back to his safe place and snuggle up to Crying Chuck and Nervous Nancy for comfort. AMEN!!!

Poet Laurel Stamps

Hi, everyone, Its Denise Groomer and I'm back with another Poem that my Mother wrote in 2012 titled
Too Old

I don't want to be a hundred that is certainly not my goal
To live for a century you'd be so very old
When trying to recall memories from nine decades ago
You find the memories fading and the process much to slow

Most of your friends and family have long since passed away
Making you feel lonely and yet each day you stay
Your mind may be sharp and clear but your bodies, frail and weak
And you miss hearing clearly whenever people speak

Sight goes dimmer everyday, hair grows thin and gray
And all the wrinkles on your face would scare a prune away
No, I don't want to be a hundred that is surely not my goal
But to live to be ninety nine, that's not quite so old!

LAUREL C STAMPS March 2012

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Silly people, you thought that Obama was a racist! Now we have a new RADICAL RACIST looking to make the White House her home! This ignorant bottom feeding whore is none other than Commiefornia's best, Kamala Harris! Wow, just when you think that Antifa was over the top and a danger to anyone on the right. Kamala Harris, calling on the nation to "deal with the racial wealth gap, on Saturday proposed a \$100 billion federal program to help black people buy homes. The California senator said the plan, which would provide down payment and closing cost assistance of up to \$25,000 to people renting or living in historically red-lined communities, this would help some 4 million home-buyers. The plan's release comes as Harris surges in Democratic presidential primary polls following a debate last week in which she chastised former Vice President Joe Biden for his past opposition to busing and former associations with segregationist senators. The controversy, if you really want to call a rat a rat, is Harris showing her plan to continue with the plan that was started by our very own Barack Obama. Obama's plan was to redistribute wealth and make sure that White people are punished for being born White. Harris is pushing the story of her being a poor little black girl. This is a crock of crap. Harris's family back many generations were not in the good ole U.S.A. but rumor has it that they actually were slave owners on their plantation and dealt in selling slaves to other plantations. This "Bitch" is another Hillary, only she has a better tan. This evil woman would sell a child of any color to the devil if she can become the first Black Woman President!!! She is as vile a creature that you can imagine. She is right out of science fiction horror movie scripts. She will finish off our freedoms and have everyone in a bread line. Except White people, they don't deserve to eat.

"Chronic Pain May Harm The Brain!"

"Depression, anxiety, sleep disturbances and decision making difficulties, which affect the quality of life of chronic Pain patients as much as the pain itself, may be directly related to altered brain function as a result of chronic Pain." Dr. Chialvo, M.D. Journal of Neuroscience. The most successful treatment of low back Pain doesn't involve any drugs for surgery! A medical doctor friend related this disturbing fact... 20% of back surgeries are successful 80% are failures. Don't gamble your health away... Chiropractic and laser therapy are very effective in relieving most back Pain problems! If you're experiencing symptoms, have been treated with little or no improvement, or want a second opinion, please call me at 909-647-6223. Don't procrastinate, let me help you.
