Pamela's World!

Hope all of you had a great Thanksgiving with family & friends. Lets talk about relationships, They are exciting & exhausting at the same time, a relationship is two people weather it be boyfriend / girlfriend or co-workers, even teacher/ student 2 best buddies. We all are raised with different values, faith, getting to know someone's likes & dislikes, are they allergic to any certain foods/bee sting even some can have a bad reaction to band aids. I have to keep an open mind, sometimes its best to agree to disagree I've watched a couple argue over toothpaste & toilet paper. one of them thinks the T.P. should roll of to the front & the other person thinks it will save money if the paper rolls of towards the back. & the toothpaste, yes even a argument over how to use it, should you squeezed it in the middle or roll it up from the bottom ? That really sounds RIDICULOUS, I watched in horror 2 folks went at it & then asked me, my opinion. I was quick to reply " Pamela's cleaning service is here today to CLEAN up & not a counseling service " If it's really a problem buy His/hers toothpaste. They both replied at the same time " But the make up sex is so worth it !! Well I can see it now they will fight over who gets to be on top ? I was always worried one of the kids walking in by accident & shouting out " NO DADDY TURN MOMMY OVER, WE WANT PUPPIES!!! We only have this 1 life, take your time to REALLY get to know each other ! It's your birth right to happy,safe & loved. even if your in a same sex relationship, Love & a broken heart feels the same. I wish all of you the best that life has to offer.

Pamela's Cleaning Service has a new Office phone # 760.810.7227
So be good to your self & each other.
Until next week Lil Sista.

From the Editor

"Side Note!"

Since leaving office we have seen the continuation of Biden spiraling out of control It seems that there is a good reason why Obama is putting distance between himself and the former VP. It seems that Joe Biden is losing touch with reality. He seems to stammer and forget where he is at and looks lost.

When you are in public and addressing the reporters and start talking about how you leg hair goes blond in the summer and the kids liked to play with it while you were in the pool, that is really creepy. Then the former VP tells how he likes kids to jump up on his lap. Now to be fair, are these kids family members or kids that are no relation. The odd thing is that Joe Biden is still in the lead for the nomination. I really am having a hard time with this one. I guess that at the last minute Hillary Clinton just might jump into the race. Bloomberg from New York spent \$32 million dollars of his own money to announce that he is also looking to run against Trump. The reason he is getting himself out there is he claims to be the only one who could defeat Trump at the Ballot Box. In reality, he wasted his money when all he got was a 2% poll. Even Kamala Harris beat him and her numbers suck. The reason the left keeps hammering away at Trump is they know they can't beat him. Schiff eventually will have to pony up and seat in front of the senate under oath and testify as to his hand in the Ukrainian collusion. He knows he is on thin ice and Pelosi is smart enough to throw him under the bus. Now on the other hand, Jerry Naddler is going to start an action while Trump is out of the country. This is another weasel that should have been investigated long ago for corruption and criminal dealings. Let the show begin!

Poet Laurel Stamps

My Mother wrote these poems before she passed in 2013 and now I'm sharing them with you, Enjoy!

Time

I never used to wear a watch I didn't have much need
 Like most who'er young, I didn't care Wasting lots of time indeed
 When I grew up to face the world I found time just rushing away
 No matter how I planned I'd run short of time each day
 I set my watch and all my clocks To read fifteen minutes fast
 I always needed to subtract Trying to stretch the time to last
 For many years the clock Was the master of my fate
 Guiding my everyday activities Never allowing me to be late
 Twice a year they add to The confusion about the time
 By springing the clocks forward Or having them fall behind
 I'm now quite old and retired My days of watching the clock
 is done When I wonder about the time of day I look at the position of the Sun

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

The Interview that you have been waiting for!! Adam Schiff and Nancy Pelosi speak candidly about the Russian Connection, the Ukrainian quid pro quo!

Question: It seems that there are many in office that have a past of criminal behavior?
 Pelosi: That is true. The reason I am still here is for the fact I have all the dirt on everyone who has crossed the line.

Question: Crossed the line?
 Pelosi: Yes! Both sides have skeltons that would publically ruin them. I have made sure that the payoffs for sexual harassment or assault have been made and kept quiet!

Question: So you are also aware of these under the table deals?
 Schiff: We have done this service for the less than discrete members of the House and Senate for the last 10 decades.

Question:What about lies to the public by F.B.I. and other agencies, is that acceptable?
 Pelosi & Schiff: Yes, we can't let an outsider come in and ruin a good thing!

Question: I hear that you son also has a job with a Ukrainian energy firm?
 Pelosi: You leave my son out of this. He is a good boy and deserved the perk of a good job that "Mommy" set up for him!

Question: Is this standard procedure?
 Schiff: No, not for the public. We would arrest you for criminal behavior to say the least. If you want to get good perks for your family members, you need to get elected to office!
