From the Editor "Side Note!"

Adam Schiff is still up to his regular crap looking to make himself a name in Washington and the Nation! In California, we know him as an empty scrotum. He is such an idiot. You can see it in his eyes when he is looking into the camera. The only thing that has that beat is when you look at Maxine Waters. Now, that is a nightmare on two feet! Feinstein is in the news again, talking down to a bunch of snowflakes that showed up at her office. It was really funny to see this idiots working to put a bigger idiot on the spot! Trump is heading to Viet Nam for a meeting with Kim Jong Un. The Left just won't give the man credit where credit is due! He has accomplished more in the last two years than any other President in history. Our Vice President is in Columbia, to see what needs to be done to aid Venezuela. I think that the left really ignores the fact that this is socialism at its best. In Socialism, power brings you money. The left is really good at telling you how they are going to spend your money, until it runs out. They never talk about how they are going to give away their money or spend any of it on social programs or helping the homeless or the hungry. I can't believe that anyone with any sense is listening to their message. A. O. C. is going to be a one term wonder. I am still working on getting her a stripper pole and some lessons from Stormy Daniels. I want her to leave office with a great job waiting for her. Who knows? She might even nail a President or a foreign dignitary or two. A young man was attacked at U.C. Berkley it was on video, and nothing was done to catch the attacker. Yet, you have a gay guy make up a story without a bit of proof of the attack and the world on the left lost their minds. I really think that we need to fire every last idiot that is in office and start fresh. I am including Republicans in that statement. The never Trump congressman and senators are just as dirty and corrupt as any on the left. The swamp was shared by both sides and they made sure that they all walk away millionaires. We have been blind sided for many decades and they swamp creatures are not going to go down without a fight!

Mueller is dirtier than any of the people that he has investigated. He has his nerve to be the one investigating Trump, Trump did not hire him to run the FBI!

Yes, but the left really could be careless about Mueller and his crimes! They are too busy giving standing ovations to the corruption that has made it legal to kill babies!

Only the left can applaud the killing of babies!

FROM THE PEOPLE

DEAR EDITOR, REGARDING YOUR STATEMENTS IN NICKEL SHOPPER VOLUME 38 ISSUE 44. WE ARE IN AGREEMENT THE ISSUE OF IMMIGRATION HAS BEEN GOING ON FOR DECADES ESPECIALLY IN CA. THE DEMOCRATS HAVE DODGED THE ISSUE, AND WHY SHOULD ANY TAX DOLLARS GO TOWARD ILLEGAL' S! WOULD'NT THAT MONEY BE BETTER SPENT FO INFRASTRUCTURE, ELDERLY AND HOMELESS AMERICANS! INSTEAD DEMOCRATS IN CA. WOULD RATHER SPEND TAXES ON ILLEGAL S RATHER THAN AMERICANS, ILLEGAL S HAVE NO WHERE TO LIVE OR WORK. TO SPEND OUR TAX DOLLARS ON ILLEGAL HOUSING, FOOD AND MEDICAL. MEDICAL WHICH IS BETTER THAN AMERICANS MEDICAL WHICH IS PAID FOR OUT OF POCKET! WHERE IS ALL THIS MONEY GOING TO COME FROM FOR ALL THESE BENIFITS ? (TAX PAYERS!!) ITS DRAINING CA. AND THE U.S. BEING RECENTLY RETIRED WE CANNOT AFFORD ANYMORE INCREASE TAXES AND WASTEFUL SPENDING. SO WE LIKE MANY OTHER CALIFORNIANS ARE LOOKING FOR A WAY OUT OF CA.

PS THE NEWLY ELECTED OFFICIALS FROM THE FAR LEFT WING IN SEVERAL STATES, IF IT DONE LIKE THEY HAVE SUGGESTED AMERICA WOULD BECOME A THIRD WORLD COUNTRY.

PSS ITS PRETTY BAD THAT DEMOCRATS PASS IMMIGRATION LAWS TO BUY VOTES. WE ARE BEHIND TRUMP ALL THE WAY! BUILD THE WALL!

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

As every new story comes out about the hate that Trump has brought to the country and how his supporters are the most deplorable trash that ever existed! If you have ever read or heard of the novel, "1984" written by George Orwell is a reality. Most media and the ASS CLOWNS on the left will tell you that it never happened. That is a false statement and needs to be corrected. The concept of "Big Brother" watching every move you make is reality. There are cameras and recording devices around us 24/7! Government has become a beast that has an appetite to grow larger. Government wishes to be your lord and master on every level. You have idiots in congress who just a year ago were tending bar. You have others that have been voted in by bigger idiots who have the Muslim agenda first and foremost. The Quran is what guides them. If you think that when they were sworn in with the Quran that that oath was sacred like when we swear someone in on the Bible, you are wrong. In there religion they will lie, cheat and steal to further the cause that they willingly will die for, and that is the destruction of our nation and our way of life. If you can't see this you are part of the problem and they are loving life. With the live and let live attitude that we as a nation embrace, they view that as degenerate and evil behavior and are willing to cut off you head. We have reached a point as a nation that if we don't turn our attention back to God and the Christian values that made us strong, we will perish. It is okay for other beliefs, but in the end it has to be a belief that will balance out with the one that formed our nation long ago. We have every type of idiot out there from women with the privates on their heads to wild eyed idiots looking to make big changes in society with no real live experience or value. If we allow this to continue unchecked, you can kiss everything you have accomplished goodbye. Think on it, it is still possible to turn the tide and get sanity back in our government. Why we let less than 5% of the nation dictate to us is beyond me!
