**RENTAL NEEDED**

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

### The Chinese will eat our lunch!

Diaper Joe Biden changes his stance on topics more often than he changes his diaper! Well, that was a bit over the top! Diaper Joe doesn't change his own diaper, he has staff to take care of that issue. If you have ever wondered why he seems to get lost while reading the teleprompter, it's because he just dropped a load! You who have children know that when the little one was about to make a mess that would knock a buzzard off a shit wagon you first see it in their eyes. That glazed look of muscles contracting without being asked to do so! So now you know the reason they kept Diaper Joe in the basement away from prying eyes. This week our Criminal and Chief made a statement in regards to the situation of "HOME GROWN TERRORIST" the American Veteran and the Retired Police Officers. If you look at the crimes that have been committed in the last 2 decades that have gone unpunished your head should explode. The "HOME GROWN TERRORIST" are the bastards in Washington that have sold us out. These pieces of PIG SHIT need to be arrested and tried for treason. Have you noticed on Facebook the people who could not wait for Trump to leave office have grown quiet? You would think that they would be jumping up and down with joy for all the great things Diaper Joe and the Jamaican HO are doing! Record number of job loss! The gasoline prices are climbing faster than a monkey in a tree after a ripe piece of fruit! Our enemies once again are dictating how the United States is going to go to the back of the line and keep handing our money like it is candy! Yes indeed you dumb asses on the Left that wanted Trump gone, here is the reward. You will also be paying the price. The politicians are not going to deliver anything that they promised. They never had any intent on delivery! Once again the people who have nothing were tricked into having nothing!

# Pamela's World!

Hello my friends,

Really hope everyone had a great Valentine's day, My father had sent me a message that said " Happy Valentine's Day, It's ok to follow your heart, but don't forget to take your brain with you !" I replied with, I use to say " I brought the body, sure hope my mind will follow ! " Today I can say my Brain & Heart are in a great relationship, not only are they on the same page, they are in the same book. How do I know for sure ? Well every morning I start with prayer, the brain is already having a lil chit chat with the bladder & legs. So as my bladder is being ASKED to hang on a little bit longer & my legs are being TOLD to RUN to the bathroom & Praying " OH GOD ,OH GOD ,please let me get there in time & no one get in my way, 2nd part of my relationship is that I eat well, we use to get our vitamins through food, not so much any more. We have fast food every corner. I pack my own lunch,snack & lots of water. Im the coach of my own team. At least GOD lets me know that I am qualified to handle my TEAM. = mind,heart ,Body, soul. My words & actions are my responsibility as well. I tend to my own teams needs, each are different, Before I leave my home, do i have my sunglasses/reading glasses, will I need a coat ? Do I have my wallet/ purse, yes I are a good breakfast/lunch, ect....be good to your self & others. God will do the rest.... This is me signing off for now!

Until next we meet! Lil Sista Pamela
