RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

New guests weekly!

THIS WEEK 3/5 on TREVOR'S HAPPY HOUR we will revisit our interview with former two-time Cy Young Award winner and the last man to win 30 games in Major League Baseball, DENNY McLAIN. Denny McLain's 1968 season, "the year of the pitcher", turned in one of the best single-season performances by a pitcher in Major League Baseball history. The 24-year-old was 31-6 with a 1.96 ERA and won the American League Cy Young Award as well as the American League MVP Award while being selected to his second All-Star Game. McLain also anchored a staff that went on to lead the Detroit Tigers to a World Series victory over the Bob Gibson and the St. Louis Cardinals. McLain is one of two men to reach the 30 win mark since 1934. With The 2015 World Series in just a few days Denny will break down the Series and give everyone some great stories about his role in winning the 1968 World Series. He might even give some lessons with his musical genius.

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Diaper Joe is losing his ability to keep his thoughts together more and more on a daily basis. I have a hard time believing that this man beat Donald Trump! Biden made the statement last year about Trump and his Executive Orders. "Only a dictator uses Executive Orders to bypass the Congress and Senate!" Well Mr. President, you don't seem to mind a Dictatorship when it is you in the White House. Talk about a hypocrite! Diaper Joe will be gone in the next 60 days. The Jamaican HO, Kamel Face, is being groomed to replace the West Wing Groper. This was the plan by the corrupt Left all along. They new that they were safe with this strategy when the nominated Biden for President. Now we have our wonderful Politicians in Washington hiding behind chain link and razor wire to keep out the Citizens who would like to remove them from office. Why are they scared you might ask? Pelosi and Schumer both know that they election was rigged. They both know they have committed treason against our country. They know that if Trump get back in the race in 2024 they don't have anyone who would beat him fair and square. When Biden is replaced you will see that the Left will push their agenda harder than ever. We went from America First to America Last. China owns Diaper Joe and his entire family. Xi will not let this chance to destroy us pass him by. All the Republicans in both the House and the Senate that voted to impeach Trump will pay the price in the 2022 election. These bastards are as dirty as they come. Liz Chaney, daughter of the war criminal Dick Chaney, needs to go. We need to stand strong!
